# About the Trust

---

The Lion Academy Trust was established in 2012 and has grown to run schools in London, Essex and Wellingborough. As a values-driven multi-academy trust, our moral foundations are the basis for the successes we have achieved:

## **The right to an outstanding education**

We believe that all children and students have the right to an outstanding education and access to outstanding facilities. Proven school improvement strategies and resources are deployed to meet local needs.

## **The relentless pursuit of excellence**

Our teams take responsibility to ensure that we deliver “good or better, every day”. Obstacles and barriers are overcome by clear, targeted support that drives the culture of sharing outstanding practice in the relentless pursuit of excellence.

## **Our pupils are the reason we exist**

Outstanding teaching and learning is central to every decision made and every development introduced. The Trust is tightly focused on pupils as our “stakeholders” and as the reason why the Trust and schools exist.

## **Centrally defined, locally implemented hubs of excellence**

Centralised design of pedagogy, policies and strategies are deployed via the three hubs with local relevance retained through transformative practice being implemented and developing communities of practice all working to achieve the same high standards and outcomes.

## **Investment in teams and practice is key to the transformation of education**

At the core of our ethos is the belief that investment in high-quality, bespoke training and development is critical to our continued ability to successfully transform education. This is to enable both staff and pupils to develop as individuals and as professionals in order to achieve excellence.

You will find that as a Trust and education service provider, we pride ourselves on the consistent application of what we can evidence that makes a difference; staff are measured by the impact they create, not the workload they manage. Our drive to make a tangible, positive difference in every community we serve, recognising the contribution and challenges our families can offer and are facing, means that we go beyond context or reasons ‘why not’ - and never lose sight of why we are here: every pupil in our schools.
