Wave Multi Academy Trust (MAT)

We are committed to progressing the social, emotional and academic outcomes for all of our students to enable them to achieve their true potential.

Our Vision is to significantly change student lives for the better.

What are your values?

We believe that our values, as a MAT, empower our young people to succeed, these values are at the core of everything we do and embody what we are looking for when we seek new staff.

Are you a resilient, dynamic teacher with interest in and experience of SEND? A new and exciting opportunity has arisen at Stansfield Academy to join their successful Senior Leadership Team. This new role is full-time and will include approximately 0.6 active SENDCO (Max 70 students), 0.2 to lead 1:1 or group interventions and 0.2 Primary Lead.

If you are an experienced SENDCO with primary and/or secondary experience who is enthusiastic to work in secondary, then please consider applying. We have three small classes of primary students, and 6 small classes in secondary (up to 7 students in a class).

SENDCO and INTERVENTIONS:

Supporting the EHCP process and facilitating the identification of SEN - SLCN, ASC, ADHD, Dyslexia traits etc.

Delivering in-house bespoke SEN staff training or sourcing appropriate external training. Identifying and delivering appropriate SEN interventions and liaising with other agencies and the Local Authority to ensure needs are met, as well as supporting transitions back to mainstream or Specialist Provision safeguarding.

PRIMARY LEAD:

Being an active and proactive member of the Senior Leadership Team and leading our on-site Primary Unit (facilitating de-briefs, primary timetabling and staffing, implementing strategic plans, supporting staff/students on-site, primary curriculum development)

Wave MAT is dedicated to the safeguarding of children and Safer Recruitment Procedures will be followed. The position requires a satisfactory enhanced DBS check.

For an informal discussion about the role please contact Emily Johnston (Head of School) on ejohnston@waveedu.org or to request an application pack please use the link on our website <https://wavemat.org/vacancies> or email our HR team – recruitment@waveedu.org
