SENCo (MPS/UPS + SEN)
Required from September 2024

Our aim is to empower each child to ensure they can live as full and as independent lives as possible.

We are seeking to appoint an outstanding SEN practitioner with a strong commitment to safeguarding children and young people. You will need to be able to demonstrate an excellent knowledge of effective support for children with SEND across the age range (3-11). We are looking for someone who is focused, resilient and passionate about securing the best outcomes for children.

We aim to create an inclusive, welcoming and secure learning environment in which all the needs of pupils are met, enabling each to reach their potential. We offer pupils opportunities for integrated educational experiences within our broad and balanced curriculum offer.

If you share our school values and have high expectations for what children and young people can achieve, we would like to hear from you.

Closing date for return of applications: Monday 15th April (12pm). Visits to the school are very welcome – please contact the school office for an appointment.

For an informal chat about the post please contact the Acting Headteacher, Mr D Kendell (Tel: 01235 520550) in the first instance.
