

## PART B Workforce Monitoring

In accordance with our Equal Opportunities and Diversity Policy, we are committed to ensuring that all job applicants and members of staff are treated equally, without discrimination because of gender, sexual orientation, marital or civil partner status, gender reassignment, race, colour, nationality, ethnic or national origin, religion or belief, disability or age.

We aim to create a culture that encourages and values diversity, and that appoints, rewards and promotes staff based on merit. This form is intended to help us maintain equal opportunities best practice and identify barriers to workforce equality and diversity.

All questions are optional. You are not obliged to answer any of these questions but the more information you supply, the more effective our monitoring will be.

Your responses to the questions set out below will be used only to monitor the effectiveness of our policies and practices, and to ensure that we do not inadvertently discriminate against employees or prospective employees

The information you give will be kept strictly confidential and will not be seen by the staff directly involved in the recruitment process for the post below. Your response will remain separate from your application form upon receipt. It will be used only to provide statistics for monitoring purposes and will be stored separately, in accordance with the *Privacy Notice for Job Applicants* provided to you in relation to this recruitment process and our *Data Protection & SARs Policy* and *Retention & Disposal of Records Policy*.
