Outstanding Opportunities for Outstanding Individuals.....

We are looking for a dynamic and innovative individual to join our teaching team at our Vocational Centre, which is an off-site provision which caters for young people aged 14-19 with severe and complex learning needs often including autism.

As a school we are expanding which includes exploring further opportunities for ongoing development of our Vocational Centre and increasing opportunities for the development of the curriculum and partnerships with other groups and organisation. We are a supportive and dynamic school, where we strive to enable everyone to be the best they can be and in so doing not only do we invest heavily in our students and families but also ensure that CPD is central to the development of our staff. We not only believe in the extraordinary but seek it out in every student we work with and every staff member who works for us.

Exeter House is part of the Somerset Road Education Trust: a unique collaborative multi-academy trust, formed in partnership with St Mark's CofE Junior School and Wyndham Park Infants' School who share our campus.
