Required from September 2021: SEND Support Teaching Assistants (GROW PROVISION)

Hours of work: Term-time only, Monday to Friday 32.5 hours per week

Salary range: Level 1-2, Teaching Assistant (£18,198 -£19,698 per annum, pro-rata)

We currently have vacancies for Level 1-2 Teaching Assistants in the GROW team working across both sites of the Histon and Impington Infant and Junior Schools. You will be working as part of a flexible, friendly and supportive team supporting pupils with both their academic learning and social and emotional development, one-to-one or as part of a small group. You will also be required to assist in the preparation of teaching resources to support experiential, 'hands on' learning. Your deployment may vary according to the needs of the children throughout the year. There is a requirement to undertake midday supervision of GROW pupils and a willingness to undergo first-aid training would be desirable. Resilience, adaptability and a sense of humour are key personal attributes for this very rewarding role. GROW at Cambridge Primary Education Trust is an enhanced provision for pupils whose academic progress has been impeded by barriers caused by emotional well-being needs or social difficulties. All of the children accessing GROW either have an Education Health and Care Plan or high level of Special Educational Need in terms of emotional regulation.

Cambridge Primary Education Trust (CPET) is a highly successful multi-academy trust which currently comprises of Histon and Impington Infant School, Histon and Impington Junior School, Hatton Park Primary School, Trumpington Primary School and Somersham Primary School. Our schools work very closely together and we promote collaborative learning across the whole Trust in addition to providing outstanding professional development opportunities for our staff.

You will be responsible to the Headteacher and SENDCo/GROW Lead.
