2) Equality (Disability) Act 2010

The Council is required by the government to record numbers of applicants protected by the Disability Discrimination Act 1995. This information is also important in monitoring the success of Council policies and initiatives that aim to attract more applications from people with disabilities.

- The Equality (Disability) Act 2010 protects people who:
 - have an impairment
 - are disabled
 - have long-term health conditions

This is providing that this has a "substantial and long term* adverse effect on a person's ability to carry out normal day-to-day activities". Long term is defined as 12 months or longer (or, if the condition is a new one, the expectation that it will be 12 months or longer).
