## SEND Teaching Assistant

Dear Applicant

Welcome, and thank you for your interest in our vacancy for a Teaching Assistant here at St. John's where I have been Head Teacher since 2006. We are a friendly, diverse school with a visible Christian distinctiveness and our ethos is key to all we do and achieve; we welcome applicants and pupils from all or no faith. Our vision and values truly reflect where we are and the direction we want to take.

We are a two-form entry primary school with high aspirations for our staff and children. We value and invest in professional development and have successful bespoke in-house training and development for our staff. The school was graded Outstanding by Ofsted in all areas again in September 2021 and Excellent in SIAMS in May 2023 and we continue to develop and progress to be leaders in the education field, sharing our successes with other schools. We are awaiting the outcome of our very recent Ofsted inspection.

Our classrooms are well-resourced, our buildings maintained to a high standard and we enjoy spacious grounds.

I am privileged to work with a committed and supportive school community who all invest in our children's learning and development. We have excellent teams of teaching and support staff, a thriving school association and an encouraging and ambitious governing body; all embedded in school life.

I hope that this pack and our website virtual tour gives you a good flavour of our school and information needed to help you decide if this is the school for you.

This is a happy school where children are well-behaved, enthusiastic and excited by learning and I very much look forward to receiving your application.

Martina Martin  
Head Teacher

## Religious Education at St. John's

As a Church of England school, Religious Education is central to our vision and ethos. We follow a rich and balanced curriculum that enables children to explore Christianity deeply, while also engaging with a range of world faiths and worldviews. RE here is not only about knowledge, but about reflection, questioning and developing respect for others.

Our staff team – of all faiths and none – play a vital role in delivering and supporting RE. Together, they help create a learning environment where curiosity, openness and understanding are encouraged. By modelling our school's Christian values, every member of staff contributes to the spiritual and moral growth of our pupils, helping them to flourish and "live life in all its fullness."

## About our school

You are encouraged to browse our website where you'll find a wealth of information about us and get a good feel for what we are about. We are all very proud of our school; here are a few highlights.

The original school was housed in an old cottage in 1834. The current Noah building was opened in 1954 when St. John's was a one-form entry school - until September 2016, when we started to expand to two-form entry. We are a popular, oversubscribed school of choice and have ensured that the cherished feeling of 'St. Johns-ness' has not declined while expanding, and that our ethos continues to flourish.

We named our wonderful new building the Ark building: it includes a splendid outdoor area for our reception children, an amazing hand-crafted ark on the stairwell and an upper floor Wheelhouse complete with a ship's wheel. The well-maintained older building is named Noah and is the location of our school hall and dedicated music studio.

Our grounds have a huge and much-valued playing field, two large playgrounds and a Spiritual Garden that is being refurbished. We have our own 'Olive Branch Café', which is popular with carers and parents before and after school. There is a public park and woodland walk just a few metres away from school and we have links with a local wilderness garden.

As a Church of England Voluntary Aided Primary School, we work in partnership with St. John's Church which is right next door – we even have our own entrance gate in our grounds. The Revd. Lu Gale regularly leads our worship and is a full member of our Governing Body. We also work closely with the Southwark Diocese Board of Education and are proud to have been graded Excellent in all areas in our last Statutory Inspection of Anglican and Methodist Schools (SIAMS); we also achieved the Gold Quality Mark for RE in 2015 and again in 2019.

Our Governing Body is very much a part of the school and our governors reflect the skills and expertise needed to lead and support us, with all governors engaging in relevant training and development. Our governors are not only spotted in our school regularly but also support other schools' governing bodies. We have a good balance of external, parent and staff governors who reflect our school community and we are fortunate that our parent governor elections usually have several candidates. As a VA school, the Governing Body is the employer.

Our children participate in a wide variety of popular and successful clubs and groups, including music, chess and sports, much of which is provided internally; we have a Breakfast Club and after school provision; and, as part of our Staff Wellness programme, we have a strong EAP programme plus access to join the local Trinity Sports Club at reduced rates.

The St. John's School Association (SJSA) is thriving, and contributes tremendously to school life financially and socially, with numerous successful events throughout the year.

Our most recent Ofsted Inspection in September 2021 resulted in us being graded Outstanding in all areas again. This was the result of a hardworking and dedicated school community, all of whom were thrilled and proud to be formally graded Outstanding. A few quotes:

- *Everyone at St John's is kind and respectful.*
- *Staff really care about and are extremely ambitious for their pupils.*
- *Pupils make excellent progress through the curriculum.*
- *Early reading is a strength of the school.*
- *Behaviour is exceptional.*

The full 2021 Ofsted report is on our website, so please do have a look (under 'About').

## Our School Development Plan

Our School Development Plan is monitored and RAG rated by our committees, with a termly overview by the full Governing Body (FGB) who also have annual objectives.

### Our distinctiveness

Our main success criteria is that our vision is clear and known by all our community. We are ensuring that the global and multicultural nature of Christianity as a world faith is celebrated and that our website presents a clear Christian message. We develop our children to be courageous advocates for local, national and global deprivation and provide our children with opportunities for their own spiritual development.

### Our Governing Body Committees

Each autumn, committees suggest areas of development to the GB for ratification. In addition to the few examples of our current objectives below, our governing body is committed supporting staff and pupil wellbeing, achieving value for money and making decisions that enable staff and pupils to love, learn and flourish in our school.

These are some examples of past or present Governing Body objectives:

Policy & Finance Committee: to provide governors with a wide selection of training and development opportunities; and increase governor presence on the website and across the school community.

Personnel: to ensure we keep Equalities, Diversity and Inclusion to the forefront of all Personnel policies and procedures; and produce a Wellbeing Toolkit for staff.

Ethos: to ensure the distinctiveness and effectiveness of St John's as a church school is maintained and actively developed and that the Christian Vision and Values are lived out in all areas of school community life.

Premises: to ensure sustainability for the whole school site and to refurbish the demountable to the standard of the main building, prolonging its life.

Curriculum & Standards: to support and monitor progress of increased SEND knowledge and provision across the school, and to monitor new curriculum subjects.

There is a lot more information on our website for you to see.
