

Vacancy for SEN Provision Lead

An exciting opportunity has arisen for a permanent full-time Specialist Provision Lead to join our team in September 2026. We are looking for someone with enthusiasm, imagination and commitment to providing the best quality education and support for pupils, primarily in our small specialist unit.

The provision will cater for a maximum of 21 pupils across the primary age range and will be specifically for children with additional communication and interaction needs, including those who have conditions on the autism spectrum. The successful applicant will need to have:

- Good knowledge and commitment to maintaining effective and inclusive teaching and learning.
- A flexible, creative and innovative approach.
- Commitment to team building and partnership with the whole school community.
- A caring and nurturing nature.
- Motivation, energy and a good sense of humour.

We offer:

- The opportunity to work in a successful and forward-thinking school.
- A strong ethos of nurture, support and well-being for all.
- Enthusiastic staff who are dedicated to achieving success for every child.
- Opportunities for high quality CPD.
- Support from a large, experienced team of leadership, teaching and support staff, including PPA time.
