About the SEND Hubs

This post will support the SENCO within the Main School and within the SEND Hub outlined below.

We are proud to working with Lincolnshire County Council on the establishment of a SEND Hub in our School.

In our schools we care about every pupil and want them to feel safe so that their learning potential and feelings of self-worth are optimised. We do this by always striving to create school environments that are calm, kind, welcoming and where strong, positive relationships exist between adults and pupils, and a culture of unconditional positive regard is in place.

The purpose of our SEND Hubs are to provide a first-class education to all pupils because we believe that every child has the power to achieve. It is also to guide, protect, support and nurture pupils, helping them to make the right choices and when this does not happen, to help them put that right and to be forgiven by others as well as forgive themselves.

As a member of the SEND Hub team, you will play a vital role in delivering enhanced educational support to pupils with Education, Health, and Care (EHC) plans within a mainstream school setting. You will help create inclusive, nurturing environments where pupils can thrive academically, socially, and emotionally.

This is a pioneering initiative shaping the future of inclusive education and will have a meaningful impact in the lives of children and young people.

Key Responsibilities

- Provide tailored support to pupils with SEND, fostering independence, resilience, and confidence.
- Collaborate with mainstream teaching staff to ensure inclusive classroom practices.
- Contribute to the development and delivery of a rich, accessible curriculum.
- Support pupils in transitioning between educational stages and preparing for adulthood.
- Maintain accurate records and contribute to EHC plan reviews and assessments.

We Are Looking For

- Experience working with children and young people with SEND (in education, care, or support roles).
- Knowledge of inclusive education practices and SEND frameworks.
- Strong communication and teamwork skills.
- A nurturing, patient, and proactive approach.
- Relevant qualifications (e.g., SEND, teaching assistant, education support).

Why Join Us?

- Be part of a pioneering initiative shaping the future of inclusive education.
- Work in a supportive, collaborative environment with ongoing professional development.
- Make a meaningful difference in the lives of children and young people.
- Opportunities across multiple schools in Lincolnshire.

Welcome from the CEO of The Trust – LAAT

Be a part of something bigger...

Dear Candidate

What if every child was unique with **intrinsic value**? What if every member of staff was unique with intrinsic value? What if every school was **unique** with intrinsic value? At LAAT we believe that they are.

We're a **Church of England** trust so we call it being made in the image of God. But you don't have to. You just need to be able to look at our children and young people – however deprived or privileged, however difficult or compliant, whatever their background, or ability, or culture, or gender – and know that what you do, how you teach them, what you give to them, how you relate to them can **transform** their lives. And then you must have the energy, and passion, and drive, to give them your best.

We don't ask you to do this alone. We'll provide you with the **support** of a MAT who believes that you too are unique and **valuable** – valuable for who you really are.

So, is now the time to think hard about what you want and to look at what Greater Lincolnshire and Lincoln Anglican Academy Trust can offer you? A chance to grow your career, **professional support** and the opportunity to transform lives.

Within fabulous **Greater Lincolnshire** with its beautiful beaches, woods, Wolds, fields and fens its 2-university city and its access to new and growing technologies. Its **reasonable priced houses** and home to the Red Arrows.

Is now the time to find out more about us and to join our **community of Excellence, Exploration and Encouragement?** To change lives with us, for the better .

Jackie Waters-Dewhurst

About Coningsby St Michael's Church of England Primary School

Inspire – Believe – Achieve

Coningsby St Michael's Primary School is a vibrant school where children are enthusiastic and motivated to achieve endless possibilities. The children are at the heart of every decision we make to ensure that they are happy, confident and that the opportunities that are provided for them are relevant to their needs both now and in the future.

The Church School values we teach the children are the foundations to our school and underpin our curriculum. The values we are learning about this year are: Friendship; Perseverance; Compassion; Forgiveness; Thankfulness and Truthfulness. We teach the children values for life through these and make links to bible stories and PSHE to enable our children to make choices and decisions, both in and out of school.

At Coningsby St Michael's Primary School, we believe that children should be curious about their learning. Through our engaging curriculum, we ensure that children can foster a passion for learning that will help to develop high aspirations and a lifetime of memories. We believe in ensuring that children receive a well-rounded curriculum; where individual talents can be spotted and nurtured to ensure that all children experience success and reach their full potential. We aim to develop whole individuals and promote independent learning. Our topic approach to teaching ensures entitlement for all children to an enriched learning experience, appropriate to their individual needs.

The school has a dedicated team that works hard to reach high standards in everything we do and this is further embedded through our successful relationships with parents, the local community and the other schools in the Lincoln Anglican Academy Trust.

Teachers and support staff strive to create purposeful and stimulating learning environments, both inside the classroom and by using our generous school grounds. The curriculum is enhanced through a range of visitors into school and a variety of trips throughout the year, as well as a range of extra-curricular activities.
