

SENDSCO (Maternity Cover)

HEART | AMBITION | RESPECT | TENACITY

Dear Applicant

We thank you for your interest in the role. If you are looking for an exciting, challenging and highly rewarding role that offers a strong commitment to professional development and well-being (as evidenced by our benefits below), we encourage you to apply.

This is a SENDCO teaching role in which you would report directly to the **Vice Principal**; it is a fantastic opportunity for you to shape and support the successful futures of the pupils of Hartshill Academy.

Hartshill Academy

Hartshill Academy is a secondary school in Nuneaton, Warwickshire, for pupils aged 11-16. We moved into our new building on November 2023 which is set in extensive grounds. The catchment area covers very diverse urban and rural areas.

At Hartshill Academy we have high expectations of ourselves. We practice kindness and gratitude every day. Our school HART values of Heart, Ambition, Respect and Tenacity underpin everything we do. We take time to reflect on our HART values and how we can develop each day. We want to ensure we are always challenging ourselves to be even better today than yesterday. We strive to practice perfect in everything we do. We know that our daily practices become our habits, our habits become our character and our character is who we are.

We have an aspirational knowledge rich curriculum for all pupils. Our staff work collaboratively to innovate and plan inspiring learning, enabling our pupils to leave Hartshill Academy with a lifelong love of learning. We ensure there is high challenge and high support for all pupils to ensure they can access and make excellent progress in all lessons. We work hard to ensure all pupils reach their full potential and leave Hartshill Academy with the skills and knowledge to make informed decisions about their next steps. We have an excellent pastoral team who work closely with our families to ensure all pupils are supported so they can arrive to lessons ready to learn and make the most of the opportunities available to them each day.

United Learning

United Learning is an exciting organisation to work for; there is a real focus on developing people and empowering innovation where staff are appreciated and celebrated. A key benefit of being part of United Learning is to have the support of colleagues across the wider group and ample opportunities to network; we recognize the powerful impact that collaboration and partnership have on colleagues. The Group's aim is to ensure that the technology, finance, HR, and data support is provided more effectively and efficiently than would otherwise be possible, so that leaders can focus on educational leadership.

United Learning is an inclusive employer and is committed to creating and sustaining a more ethnically diverse workforce. Therefore, we would very much welcome applications from professionals of all backgrounds who share our commitment but especially those of minority ethnic origin. We do hope you will get in touch with any questions you may have ahead of submitting your application.

We look forward to receiving your application.

About United Learning

United Learning is a group of Academies which aims to provide excellent education to children and young people across the country. We uniquely comprise Academies in both the state and the independent sectors and currently educate over 60,000 pupils and employ over 9,000 members of staff.

The growing range of outstanding group-wide activities that we can provide will mean that more young people will have truly exceptional and inspiring experiences. We believe that our Group contains the most developed relationships and practical interactions between independent and state Academies in the country; creating benefits for all the Academies involved whilst respecting both traditions and learning from each other.

United Learning comprises both United Church Academies Trust, which operates our fee-paying independent Academies, and United Learning Trust, which operates our state-funded academies. To find out more about United Learning, please visit the website: www.unitedlearning.org.uk

Our Ethos

Our approach to education is underpinned by a sense of moral purpose and commitment to doing what is right for children and young people. We believe in supporting our colleagues to achieve excellence and in acting with integrity in all our dealings within and beyond the Group. We believe the safety and welfare of all children and young people is paramount. We summarise this ethos as ‘the best in everyone’ underpinned by our core values:

AMBITION – to achieve the best for ourselves and others.

CONFIDENCE – to have the courage of our convictions and to take risks in the right cause.

CREATIVITY – to imagine possibilities and make them real.

RESPECT – for ourselves and others in all that we do.

ENTHUSIASM – to seek opportunity, find what is good and pursue talents and interests.

DETERMINATION – to overcome obstacles and achieve success.

Our Framework for Excellence

To achieve our mission, our Academies prioritise five key principles:

‘THE BEST FROM EVERYONE’

We expect the best from everyone, all the time, we are all capable of extraordinary things. So, we expect unreasonably – we constantly challenge children to do what they think they can’t, to persist, to work hard and to be at their best. We also expect this from our staff; they must be determined and resilient, they must pass those expectations on to the children in all they do. We act with the utmost love, care, and good faith – the highest standards come with the greatest attention to the wellbeing of all.

‘POWERFUL KNOWLEDGE’

Our most important purpose is to teach young people things they would not learn outside school, which frees them to think and act more powerfully in their lives. Words and numbers are our most powerful ways of representing the world. Mastery of language and fluent mathematical skills are therefore our top priority. We aim to prepare young people to make a success of their lives: a core entitlement to subject- based learning; the development of talents; an understanding of work and society.

Worthwhile learning is often hard. Inspiring teaching is what gives access to difficult concepts and the thrill of intellectual discovery. Powerful knowledge is not static or backward-looking. It includes the ability to critique, challenge the status quo, think, and learn.

‘EDUCATION WITH CHARACTER’

Academic success is very important, Exam passes are an important aspect of that. But we believe there is more to a good education; we aim to develop character, compassion, and service. Young people are expected to contribute to their school and to society; to try things which they think they cannot do; to persist in the face of difficulty; to become resilient in overcoming obstacles; to manage themselves; to work independently on things which challenge them; to work with others and in teams; to be courageous and caring; to lead.

We want young people to look back on a joyful school which has inspired and challenged them, given them wide opportunity and prepared them for the ups and downs of life.

‘LEADERSHIP IN EVERY ROLE’

Our children are leaders of the future. We expect them to start today – taking advantage of structured opportunities to lead and taking responsibility for themselves and others. Every adult in the school is a leader. In every word, tone, and gesture, they set direction and expectation. We expect every adult to take responsibility and the initiative to do what is right for the children. All those in formal leadership positions create the climate in which others work. They demand the highest standards, build a performance culture, develop their teams, and create the space for others to lead. All leaders listen, develop relationships, act with integrity and care and expect the best from themselves and others in building a happy, confident school.

‘CONTINUOUS IMPROVEMENT’

However good we are, we can be better. We constantly look for improvements and implement them with pace. We look for ideas for improvement inside the organisation and out; we observe one another; we steal good ideas with pride and look to make them better; we work together to improve.

We always look at the evidence and are rigorous in evaluating impact. We stop or change things which aren’t working; we improve things which are. We aim for high leverage: high impact for low effort and low cost. We constantly look to have more impact for less cost and effort and to spend every pound wisely.

Continuing Professional Development

Our staff are one of our most important assets, we are passionate about supporting our staff, bringing out ‘the best from everyone’. We work on the basis that each of us, however effective, can always learn and develop. This role is given a particular priority, given the wide-reaching impact that leaders have on the life of staff and pupils alike.

You will work closely with your Executive Business Manager to set personal and meaningful development objectives and you will receive all support possible to achieve and surpass these objectives. You will also have the benefit of accessing a range of internal and external staff networks and fantastic CPD opportunities. We are passionate about transparent professional development which is achieved through a supportive and robust PDR process and through processes such as 360-degree feedback.
