School Mission

"St. Elphege's Infant School and St. Elphege's Junior Schools will give every child the best possible education because each individual is uniquely created and precious to God. As a Catholic community, guided by the Holy Spirit, we will follow the example of Jesus Christ in all aspects of daily life."

Our Schools

St. Elphege's Infant School and St. Elphege's Junior School are part of the Sancta Familia Catholic Academy Trust. Our schools are friendly and caring places where we enjoy good relationships between dedicated staff, pupils, parents, governors, parishes and local community.

The schools welcome families and staff from the Catholic faith, as well as those from many other faith backgrounds and those of no faith. Our community is exceptionally diverse yet beautifully cohesive; we embrace and celebrate the richness that such unity brings. This is reflected in our staff teams where dedicated and enthusiastic professionals from a range of backgrounds, cultures and faiths work harmoniously to ensure the best possible provision for the children in our care.

We are looking to appoint:

- A SENDCO who is highly motivated, creative and well organised.
- A SENDCO with expert knowledge of SEND provision, legal frameworks and LA systems & processes.
- A SENDCO who wishes to develop outstanding practice, has a love of learning and high expectations of children's progress, achievement and behaviour.
- A SENDCO who has excellent communication, interpersonal and organisational skills.
- A SENDCO who is committed to developing the professional understanding of the staff body.
- A SENDCO who values, embraces and celebrates the rich diversity of our schools.

We can offer:

- A happy, learning environment where everyone is valued.
- A highly motivated staff team and supportive parents.
- Children who enjoy learning and are motivated by enriching learning experiences.
- A committed and supportive environment where you will be encouraged to develop professionally.
- Professional development opportunities for teachers at all stages of their career.
