In the Catholic School's Inspection we had in February 2024, St Paul's achieved an Outstanding grade for Catholic life and Mission and rated 'Good' for all other areas. St Paul's was praised for the "deep pastoral care" that is provided and for integrating "fully in the wider community through faith in action and service". OFSTED 2023 also commented on the ambition being put into the curriculum and the strength of the leadership of the school to raise ambitions and expectations at St Paul's.
