SENDCo

Join the Family

If you are bursting with fresh ideas and eager to make your mark, this is the opportunity you've been waiting for. Working as our Special Educational Needs Co-ordinator can be incredibly rewarding as you support our pupils in becoming confident and resilient learners.

You will play an important role communicating and supporting children and families in a way that is non-judgemental and solution-focused. You will show great empathy and sympathy, but decisive when the need arises.

Most importantly, you will have a good moral compass, wake up each morning and enjoy the challenge, and strive for high ambitions for all pupils.

SEN Resourced Provision

This is an exciting time to join Rudheath Senior Academy as we embark on an ambitious project to add a 15 place SEN Resourced Provision to our school. For us, the creation of this provision is designed to allow children and young people to remain and be educated in their local community, building on the work we already do to support all our pupils.

The Resourced Provision will accommodate an existing space in the school building, with internal modification and renovation planned to create additional learning spaces. You will be at the forefront of ensuring that this space meets the needs of our young people.

“This school is a friendly and welcoming community. Staff know the pupils well and ensure that they are well cared for.”
