Dear Candidate,

Thank you for your interest in the role of SENDCo at Wadebridge School. This is an exciting opportunity to join a highly successful and respected school, taking on the challenge of leading in a key area and supporting our young people to achieve their very best. We believe that every child has the right to the highest standards of education that we can provide, and through that, be given the opportunity to achieve all that they are capable of, whatever that may be.

You would be supported in this role by a very experienced, hard-working and committed team who work with individuals, groups and in subject areas on a day to day basis. They are caring, compassionate and highly skilled in their field.

We also offer support for aspiring leaders through the NPQML and NPQSL routes.

If, after reading the relevant information you feel that this is a role that you could fulfil and that our ethos and values match your own, then we would welcome your application and look forward to receiving it.

If you have any questions or would like to discuss any element of the role in more detail then please do not hesitate to contact us here at school, either by telephone 01208 812881 or e-mail:
