SENDCo

Permanent - 0.6 FTE with a TLR 2.1

Situated in the village of Watchfield, near Faringdon, we have a wide and diverse school community and are looking for an enthusiastic SENDCo to join our friendly school.

Shrivenham Primary and Watchfield Primary School have recently started a new, exciting collaboration and we are seeking to appoint a non-class based SENDCo for each school that is committed to ensuring the needs of our pupils are met, and providing them the best chance of success, both academically and in their future lives.

You will be responsible for the day to day operation and co-operation of specific provision to support vulnerable learners and individual pupils with SEN or a disability. You will need to be self-motivated, reflective and creative in solving problems and will motivate, support and challenge others to enhance their practice to improve outcomes for children.

As part of the Faringdon Learning Trust, an eight school multi-academy trust, established on 1st April 2012, the post holder will be welcomed in to our Trust team where you will meet regularly with other Trust SENDCo's to share best practice and also have the opportunity to shape and inform SEN provision across our schools.

Candidates should be appropriately qualified and have the National Award for SEN Co-ordination, ideally with experience in SEND in a primary setting. Candidates with suitable skills and demonstrating a willingness to complete this course within 3 years of appointment, starting the course within the first year, will be considered.

A visit to the school or a telephone conversation to discuss the posts would be warmly welcomed.

Please contact Jude Scutt, Executive Headteacher, for further information.
Details and a link to the application form can be found on the school vacancy webpage.
