About West Park School

West Park School is a vibrant, inclusive community where every young person is known, supported, and encouraged to be the very best version of themselves. We are proud of our reputation for academic excellence, exceptional pastoral care, and the strong relationships that sit at the heart of our work.

What truly defines us is **the West Park family** — a community built on trust, belonging, and shared purpose. Our core values of **Hard Work, Achievement, Resilience and Kindness** guide everything we do. They shape how we treat one another, how we face challenges, and how we celebrate success. We are deeply connected to our local community and work closely with families and partners to ensure every pupil feels supported both in and beyond school.

We are now looking for a compassionate, dedicated **SENDCO** who will help us continue to nurture an environment where every child can thrive.

- Model and promote **Hard Work, Achievement, Resilience and Kindness** in every aspect of the role.

We Are Looking For Someone Who

- Holds the **National Award for SEN Coordination** (or is willing to work towards it).
- Has a strong understanding of the SEND Code of Practice and current educational developments.
- Communicates with warmth, clarity, and empathy.
- Builds trusting relationships with pupils, families, and colleagues.
- Brings resilience, optimism, and a commitment to continuous improvement.
- Believes wholeheartedly in the potential of every young person.
- Embodies our values of **Hard Work, Achievement, Resilience and Kindness**.
