Re: SENDCo with Teaching Commitment Post

Dear Applicant,

I'd like to thank you for taking an interest in the role of SENDCo with Teaching Commitment at Tirlebrook Primary School - we are delighted that you are interested in the role.

Tirlebrook Primary School is a welcoming, community-oriented setting where we are committed to nurturing every child to their full potential.

The SENDCo role is a key leadership position within our school and forms part of the senior leadership team. It combines strategic leadership of SEND provision (0.6) with a classroom teaching commitment (0.4), giving the successful candidate the opportunity to shape inclusive practice across the school while continuing to make a meaningful impact in the classroom.

We are seeking a passionate and experienced teacher who can lead and develop high-quality provision for pupils with special educational needs and disabilities, support colleagues through training and guidance and work closely with families and external agencies. The role also includes oversight of Teaching Partners, monitoring progress, managing resources and contributing to whole-school improvement.

At Tirlebrook, we have 43 pupils identified with SEND, with a range of needs including speech, language and communication, social, emotional and mental health and cognition and learning. Currently we have 17 pupils across the school setting with an EHCP.

For further information about our school, please visit our website at www.tirlebrook.co.uk. If you would like to arrange a visit, we would be pleased to welcome you - please contact the school office at admin@tirlebrook.gloucs.sch.uk to make an appointment.

We look forward to receiving your application and learning more about what you could bring to our school community.

Yours sincerely,

Miss Tanya Jaryczewski – Acting Headteacher
Tirlebrook Primary School
