Every Northern Lights school has its own values and its own vision and that's really important to us because all of our schools are there to serve our community but equally, our Trust is there to serve each other.

We do that with humility and with an openness because at Northern Lights it's not all about the academic – that is really important to us – but we know, as a Trust, we are successful if we have ensured that in a holistic way our children and young people have had every opportunity to experience, to flourish, to thrive, to understand the wonder and the joy of the world around them.

– Jo Heaton OBE, Chief Executive, Northern Lights Learning Trust
