Dear Applicant,

Thank you for your interest in the role of **Senior Early Years Practitioner** at **The Beehive @ Barton Farm Primary**.

This is a brand-new role created as part of the expansion of our popular Beehive Nursery. You will be joining the team at an exciting stage in our development as we move into our new purpose-built setting within the school grounds, and begin offering year-round care.

The Beehive is an integral part of our warm and welcoming school community. We pride ourselves on providing a happy, supportive and enjoyable place to work, where every team member is valued as an individual and their ideas, strengths and contributions are genuinely recognised. We are committed to helping you be the very best you can be, both for yourself and for the children in your care. You will be supported by our experienced leadership team, including our Lead Practitioner, Early Years Leader and wider school network. We invest in professional development through dedicated weekly CPD time and opportunities to pursue your individual interests and specialisms. As part of the University of Winchester Academy Trust family of schools and nurseries, we can also offer access to high-quality training and a supportive network of colleagues.

We are seeking an enthusiastic and ambitious practitioner who is passionate about helping young children, and those who work alongside them, reach their full potential. You may already have experience mentoring colleagues, leading aspects of provision, overseeing daily routines, and modelling outstanding practice. Equally, you may be ready to take the next step in your career and further develop your leadership skills.

At The Beehive, we value children's natural curiosity and have created a dynamic curriculum and inspiring environment that nurtures a love of learning and encourages high aspirations from the very beginning of a child's educational journey. If you believe in dreaming big for every child and want to work in a setting that will inspire and challenge you, we would love to hear from you. One of the many advantages of being part of our school-based nursery is that you can focus your energy on providing exceptional experiences for children and supporting your team, while we take care of the less exciting areas such as staffing, administration and policy management.

To help you fully understand what Barton Farm and The Beehive can offer, I encourage you to come and meet us. I would be delighted to welcome you to the school, show you around our setting and answer any questions you may have. Please contact me at h.griffiths@bartonfarm.uwinat.co.uk to arrange a visit.

Please submit your application as soon as possible, as suitable candidates may be invited to interview before the closing date. Please ensure that you clearly indicate on your application which post you are applying for.

I look forward to hearing from you.

Kind regards,

Hannah Griffiths

Artificial Intelligence (AI) tools

We currently do not use AI tools in our recruitment processes; however, we understand that you may choose to use AI tools to help you with your application.

If you do, please remember:

· AI-generated answers can often be generic and impersonal, which may not accurately reflect your qualifications, skills, and experiences
· AI-generated applications may lack the personal touch that human-written applications have, this may make you seem less engaged or interested
· Ensure the information provided genuinely represents your own voice and experience
· You must not provide false or misleading information
