Senior Network Technician

Bucks Pay Range 4:21-25

£25,216 - £27,281

37 hours per week, 52.14 weeks per year

This is a year round, full time position, with hours worked between 8 a.m. and 4p.m. Monday – Friday.

- Are you looking to put your excellent IT skills to better use supporting the next generation and enabling our outstanding secondary school to navigate the ever-changing IT demands of education and the day to day requirements of a Microsoft-based environment. You will be working with a small, dedicated, in-house network team.
- Do you have a keen eye for detail, problem solving and an ability to find cost-effective, innovative solutions?

We are seeking an enthusiastic, energetic and skilled Senior Network Technician to join our caring and hardworking IT team. The ideal candidate will be flexible and able to work on his/her own initiative. The position will assist the Network Manager with the design and maintenance of the school's ICT network, working alongside the Network Technician to support both staff and students.
