Dear Applicant

Thank you for your interest in the post of Senior Science Technician, required as soon as possible, or from 1st September 2023.

The support staff at Claydon High School are a hardworking and committed group who are passionate and enthusiastic in helping all of our students achieve their potential. They are a team who get on well despite having various roles and there is a very supportive ethos at the school.

We are looking for a confident and committed individual with good communication and organisational skills. Ideally the successful candidate will have some relevant scientific background and be able to provide some administrative support to departmental staff.

I hope after reading the information you feel this is the job for you and if you would like to apply please post your application to the school or send it by email to hr@sslt.org.uk The closing date for applications is midday on Tuesday 6th June 2023 (if we receive suitable applications we reserve the right to interview sooner).

As I am sure you understand there are safe recruitment procedures that we need to follow. Anyone invited for interview will need to provide photographic proof of identity, date of birth, current address and right to work in the UK. Before employment is confirmed employment references for the last five years, including a current employer are required and an enhanced DBS application will need to be successfully completed.

If you require any further information, please do not hesitate to us at hr@sslt.org.uk

Yours sincerely

Maéve Taylor
