

<b>POST TITLE:</b> Senior Site Assistant	<b>GRADE:</b> Grade 5, points 11-15
<b>RESPONSIBLE TO:</b> Area Estates Manager	

**Responsible for** No direct reports however will be required to supervise and oversee contractors working on School sites

### **Purpose of role**

To undertake a wide range of duties and responsibilities connected with the Trust sites, buildings and environments providing an efficient, effective and professional estates service for the Trust.

The post-holder will

- Ensure the safety and security of site users at all times
- Undertake regular checks, internal and external maintenance and maintain the cleanliness and professional appearance of buildings and grounds at all times
- To be flexible to work at any of the schools within the Trust as required.

***Upon completing one year in post, the successful candidate will be supported by Futura to undertake a Level 2–3 Apprenticeship in Facilities Management.***

### **Principle Accountabilities:**

- Contribute and participate in the formulation of estates action plans
- Contribute to co-operative working across Trust teams in accordance with the Trust Vision and Values
- Assist in ensuring the Trust Estates Team are responsive to customer needs and that equal opportunity and health and safety issues are identified and addressed effectively
- Assist in ensuring effective external and internal working relationships are established and maintained with organisations, agencies and contractors relevant to the work of the Trust Estates team
- Ensure effective, accessible and professional communication with staff, service users, the general public and others as appropriate, at all times.
- Be responsible for all aspects of property upkeep, care, maintenance, security, compliance and safety, in line with statutory and regulatory requirements with assistance from the Area Estate Manager.
- Effectively manage the in-house compliance using the Trust compliance software. Ensuring that all checks are completed in a timely manner reporting any defects to the Area Estate Manager.
- As a keyholder be responsible for the security of Trust estates, to include the opening up and locking of estates and assisting the Area Estates Manager in identifying a suitable keyholder to cover periods of absence
- Responsible for the Trust estates outside of normal working hours with regard to locking and unlocking, setting security alarm systems, carrying out security checks and responding to emergency call outs
- Undertake a range of minor maintenance work and projects, as agreed with the Area Estates Manager, with regard to the day to day maintenance of Trust estates and its furnishings e.g. remedial painting and decorating, repairs to fixings and small scale improvements
- Arrange for major maintenance work to be carried out, to include escorting contractors and others to sites of repair and maintenance, monitoring the safety of their working practices, reporting where possible on the quality of their work and follow up any apparent failures/defects
- Responsible for the operation of the Trust estates heating system, ensuring that all plant and equipment operates at maximum efficiency and economy with special regard to energy conservation and to regularly

inspect equipment to ensure that it is clean and in safe working order, reporting any deficiencies as appropriate. To include ensuring, as far as is practical, that adequate supplies of fuel and mobile emergency heating are available at all times

- Responsible for the receiving of deliveries of goods and equipment and distributing as appropriate. To include maintaining appropriate records as required and appropriate levels of cleaning and repair materials
- Responsible for the general tidiness, cleanliness and safety of the outside areas e.g. the removal of litter and graffiti from paths and hard surfaces, keep surface drains free of obstruction, ensure pedestrian access in periods of severe weather conditions, treating main entrances and paths with salt/grit as appropriate
- Responsible for the day to day supervision of cleaning/janitorial staff, cleaning contractors or other general assistants working under the direction of the Area Estates team
- Responsible for cleaning areas not covered by other contracts together with emergency cleaning duties arising during the working day
- Undertake general portage duties to include the setting out and putting away furniture as necessary
- To operate, where included in the estates, the swimming pool plant including the carrying out of water tests, the replacement of heat retention blankets, the cleaning of swimming pool surrounds, filtration, heating chemical dosing and seasonal duties
- Provide estates support duties for external lettings as directed by the Area Estates Manager
- Provide support in traffic and car park management at busy times e.g. open evenings, school performances, external lettings
- Comply with instructions with regard to arranging the necessary facilities for the school to be used as a Polling Station as required by the Returning Officer (where applicable).
- In conjunction with the Area Estates Manager implement all agreed Energy Conservation policies including reading, recording and reporting meter readings
- Ensure site emergencies are dealt with promptly and efficiently. These include cleaning sickness and spillages, dealing with instances of bursts, leaks, floods, fires and breakages, all electrical and gas emergencies, making safe initially by turning off supply
- Ensure there is appropriate access for emergency services, assist as necessary, secure estates as required

#### **Other**

- Physical Effort - At certain points of the day the post holder will be expected to undertake bending, lifting and stretching in the course of their duties e.g. minor maintenance work, remedial painting and decorating, repairs to fixings, receiving deliveries of goods and equipment, setting out and putting away furniture
- Due to the nature of this role there will be an expectation that the post holder will be exposed to dirt and dust which on occasions, for example adverse weather conditions, may be higher than normal
- As a key holder, the post holder should be contactable outside normal working hours. He/she will be expected to respond appropriately in the event of emergencies arising at any time - Tools, equipment and protective clothing will be provided where required.

#### **Data Protection and Safeguarding**

- Work within the requirements of Data Protection at all times
- Understand your responsibilities in relation to Safeguarding and child protection and how to highlight an issue / concerns
- Remain vigilant to ensure all students are protected from potential harm

#### **General**

- The post-holder will be expected to undertake any appropriate training provided by the Trust to assist them in carrying out any of the above duties.
- The post-holder will be expected to contribute to the protection of children and young people, as appropriate, in accordance with any agreed policies and/or guidelines, reporting any issues or concerns to their immediate line manager.
- The post-holder will be required to promote, monitor and maintain health, safety and security in the work place. To include ensuring that the requirements of the Health & Safety at Work Act, COSHH, and all other mandatory regulations are adhered to

- An Enhanced Disclosure with the Disclosure and Barring Service (DBS) will be undertaken before an appointment can be confirmed.

This job description only contains the main accountabilities relating to the posts and does not describe in detail all of the duties required to carry them out. The post holder may be required to undertake other duties and responsibilities that are commensurate with the nature and level of the post.

Futura Learning Partnership is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. For this post prior to appointment, Futura Learning Partnership will apply for an enhanced disclosure certificate from the Disclosure and Barring Service.
