## Our Values

### Thrive Mission Statement *Inspiring pupils to thrive in life*

Thrive Co-operative Learning Trust **understands thriving to mean learning**, and learning to mean **growing in knowledge, self-reliance and in responsibility towards others**. Achieving this will allow pupils and staff to **develop a sense of agency and co-agency**, which is the awareness that we are powerful and can affect change, that life is something to be grasped rather than something that happens, and that we have maximum impact when **we work together for the common good**. This sense of agency plays out at three scales as it affects the future of **the individual, their community (local and national), and their planet**.
