

WELCOME

Thank you for your interest in this role.

Belper School and Sixth Form Centre is an exceptional place. We combine strong academic standards, a rich & inspirational curriculum, and a caring & supportive ethos to provide the best education we can for our wonderful students. We also like to think we are a great place to work, and Ofsted agreed. ("Staff are happy and proud to work at the school. Leaders are considerate of staff's workload and well-being" OFSTED, 2022)

The school has been proud to serve the thriving community of Belper and surrounding villages for over 50 years. Belper in Derbyshire is on the edge of the Peak District with good road and rail links to other parts of the country. It is situated in the Derwent Valley World Heritage Site and has previously won the Best High Street and Market Town in the UK award. Belper has a creative and inclusive community and hosts an annual arts festival and a very popular Pride event.

Our vision is encapsulated in the phrase "Create Your Future. Be who you are and become who you aspire to be" and this vision guides our educational direction. We want to provide our students with the qualifications, knowledge, and skills they need to have happy and successful lives. We know that our students leave Belper well prepared to thrive as adults and we are proud of what our alumni achieve; from international athletes, to space engineers, from creative professionals, to self-employed entrepreneurs and much, much more. To provide the best education we can, we understand how important it is to recruit, retain and invest in our staff. We see our school as one community of families, students, teaching staff, support staff, leadership staff, and governors all working together.

We prioritise staff wellbeing and understand how this links to our staff retention remaining high. The Senior Leadership Team are always visible in school, working hard to bring out the best in our staff. We have a strong and committed governing body who take their roles and responsibilities seriously.

Belper School and Sixth Form Centre is a lively and successful school of just under 1200 students including 150 Sixth Formers. It has been a Foundation School since 1998 and is now in the early stages of applying to join the Embark Federation.

At Belper School we believe passionately in an inclusive approach to education and in promoting the personal development of every student. We have a distinctive ethos, which marks us out from many other schools. While we value academic achievement and strong exam results, we also believe it is our duty to create responsible citizens for the future. Self-respect and respect for others are central to that belief.

We keep the students at the school central to the decisions we make. Visitors often comment on the very positive feel of the school. Their conduct in lessons and around the site is excellent. ("Lessons are calm and orderly" OFSTED, 2022) Belper is a school where teachers can truly focus on teaching.

ABOUT OUR SCHOOL

Belper School & Sixth Form Centre is a popular and high achieving foundation school at the heart of the picturesque Derbyshire town of Belper. We have 1200 students on roll with 150 in the sixth form and employ over 170 staff.

- Belper School is a non-uniform school and students address teachers by their first names. This is an important part of our ethos.
- We are a very friendly school with a positive atmosphere, and we work hard to ensure that every child feels valued and respected. "There are positive relationships between staff and pupils. Pupils are happy at school." (OFSTED, 2022).
- The foundation of our school is our caring and supportive highly inclusive ethos. "Belper School and Sixth Form Centre is an inclusive school ... Pupils can 'be who they are' and have their own identity" (OFSTED, 2019).
- Our students are exceptionally understanding. "Pupils are kind and considerate. They accept others' differences" (OFSTED, 2019).
- We provide a very broad and inspirational personal development and enrichment curriculum "Leaders have developed a well thought out programme for pupils' personal development. … Pupils value the range of activities that the school offers" (OFSTED, 2022).
- We have a wide range of academic courses "Curriculum plans in the sixth form are well developed and the work that teachers set is demanding" (OFSTED, 2022).
- Our pupils mostly achieve strong examination results although a small minority have struggled since Covid with their attendance due to health concerns. The school was ranked in the top 10 schools in Derbyshire at KS4 for EM5+ in 2023. "Leaders have high expectations of all students in the sixth form. Students say that teachers want the best for them." (OFSTED, 2022).
- Improving teaching and learning is central to our mission to be the best school we can possibly be. "Leaders have a sharp focus on improving the curriculum. In most subjects, curriculum plans are ambitious and well thought out." (OFSTED, 2022).
- We see ourselves as being at the centre of the local community and have strong links with other local schools and organisations. We also strive to maintain excellent relationships with the families of our students.
- Well over 80% of the pupils from our main feeder schools typically choose to come to us in Year 7 and we are usually oversubscribed which facilitates the building of very strong links with Key Stage 2.
