General Academy Information

Our History and Context

In 1969 Bransholme High opened its doors for the first time to the children of the newly formed Bransholme estate. In 1988 during a reorganisation of Hull schools it was renamed after the author Winifred Holtby and retained the name when the school moved to new premises on the same site in September 2011. In May 2013 the school converted to Academy status but retained the name Winifred Holtby. In September 2019, Winifred Holtby Academy became a member of The Consortium Academy Trust, setting out on the next exciting stage of our journey, working collaboratively with our partners within the Trust.

Winifred Holtby Academy is a large academy with over 1300 students on roll. We have a positive and engaged student body and a caring, dedicated and talented staff. The school is set in the city of Hull. The catchment area predominantly covers North Bransholme and the surrounding areas.

In September 2011 we moved into our new building. We have a wide variety of state of the art facilities which enable our students to achieve their potential. Each area is designed with our students in mind and many of our facilities represent what our students will access in the outside world in a working environment. These facilities allow our students the greatest start in their chosen further education and career paths. Our facilities include:

- State of the art classrooms and learning spaces
- A Learning Resource Centre
- Specialist Food, D & T and Motor Vehicle Technology suites
- A fully equipped suite of Performing Arts rooms, including a Recording Studio and a Community Theatre
- Air conditioned ICT suites
- State of the art sports facilities, including a swimming pool, hydrotherapy pool, sports hall, fitness suite, all-weather pitches, rugby pitches / football pitches, outdoor MUGA area, tennis courts, athletic / cricket facilities. All of these facilities are available for staff use outside of the timetabled academy day.

In our most recent Ofsted inspection in July 2019, inspectors praised the strong leadership and management of the academy, recognising our improvements and the considerable moral purpose behind our leadership decisions. They also recognised the benefits that student's gain from our broad and ambitious curriculum and the positive attitudes and behaviour of our students in lessons and around the academy. We are confident that our continued focus, drive and determination will result in us becoming a 'good' school when we are next inspected. This is certainly an exciting time to join our team.

The school is a disciplined and well-organised environment. We have high standards of school dress and have clear expectations on punctuality, attendance and behaviour. Our students are positive and respond well in all aspects of school life. We have strong and consistent systems in place to ensure that teachers can teach and students can learn, free from disruption.

Staff at Winifred Holtby are known for their caring approach with all students and we are committed to providing strong and effective pastoral support – we know our students well and treat them as individuals, not numbers. Our established House system creates a sense of belonging, friendly rivalry and healthy competition amongst students and staff. Each Year Group has a dedicated team of pastoral Year Leaders in addition to an Academic Progress Director.

Our staff provide a wide variety of extra-curricular activities beyond the school day, including academic, sport, performance and other community based activities.

The academy has a strong community ethos, developing close relationships with the world of business and establishing strong links both locally and nationally.

Winifred Holtby Academy is a popular choice for secondary education in the local community. Our annual intake of 270 students is taken mainly from our neighbouring primary schools, with whom we have excellent and close relationships. Each year we are heavily over-subscribed due to the strong reputation we have developed within our community.

We are committed to high quality induction and continuous professional development and learning for all of our staff.

The Consortium Academy Trust

On 1 September 2019, Winifred Holtby joined The Consortium Academy Trust. The Consortium Academy Trust (TCAT) was formed in September 2017 by the coming together of Cottingham Academy Trust, The Hessle Academy Community Trust and Wolfreton School and Sixth Form College.

The Trust has grown rapidly from the three founding schools and TCAT currently comprises of six secondary schools and three primary schools, as well as an associate member, with a total of approximately 7700 learners and a significant staff team. Our academies include Croxby Primary, Cottingham High School and Sixth Form College, Hessle High School and Sixth Form College, Holderness Academy and Sixth Form College, Howden School, Keyingham Primary, Penshurst Primary, Winifred Holtby Academy and Wolfreton School and Sixth Form College.

Our vision is to be:

A Trust that promotes academic excellence, where exciting opportunities allow students to excel in all that they do, and leave prepared to achieve all their ambitions.

A Trust whose schools deliver the maximum potential for progress through inspirational teaching and learning, and outstanding school to school support.

A Trust with a leading community role, whose schools are the preferred choice for students, parents and staff.

Our core values underpin everything we do.

Aspiration. We are ambitious and we aim high for ourselves and for others. We believe that we can make a real difference.

Respect. We respect ourselves and we respect each other. We respect our diverse environment and the community.

Integrity. We are honest with each other and ourselves. We do the right thing for the right reasons.

Responsibility. We take responsibility for everything we do. We see mistakes as an opportunity to improve and get things right next time. We do this in an environment where we can take appropriate risk in the pursuit of success.
