About the school:

Maharishi School is a state-funded, all-through school (reception-Y11) situated in West Lancashire. We attract pupils from a wide geographical area, as well as locally, with some families relocating in order to secure a place for their child.

As well as following the national curriculum, pupils at Maharishi School access our unique Consciousness-based Education system. Pupils practise TM at the start and end of each day. It is a simple and enjoyable mental technique where both mind and body settle down to a deep state of rest, dissolving fatigue and stress, which enables teachers and pupils to be at their best and to be more effective in their daily activity.

Classes are made up of 18 pupils of mixed ability and the school promotes academic excellence in a nurturing, family atmosphere.

Maharishi School was named the best secondary school in West Lancashire in Lancashire Live's Real Schools Guide 2020 and in 2019 our Progress 8 scores placed us in the top 1.8% nationally.
