Working with young people can be one of the most rewarding and satisfying jobs. It can be hard and resilience must be high, but building these relationships with young people, being their constant and believing in their value can significantly change their future - the rewards will certainly outweigh the challenges!

Springwell School is located on the edge of the city of Southampton and is a designated day special school for children aged from 4 - 11 years with complex learning difficulties including speech and language disorders, autism and challenging behaviours.

The school encourages a supportive and positive learning ethos that enables both staff and pupils to work and learn together to develop their full potential, providing the highest possible standards of education and support to children, families and staff.

We are looking to recruit to a number of Special School Assistant vacancies across all key stages who are committed, motivational and have the enthusiasm to make a difference to our pupils' lives.

In our recently published Ofsted inspection report (June 2023), we are exceptionally proud to be maintaining our Outstanding rating for the 4th consecutive time with Ofsted commenting, 'Staff are proud to work in the school. One said, 'We're a really strong team'. They feel that leaders are thoughtful about workload and responsive to feedback.'

No two days are ever the same, sometimes they are challenging, but always positive!
