### Why Vermont School?

Vermont School is a small primary school of 56 children which works as a family to ensure that we belong, believe and achieve together. We work together with parents, carers and their children to support our children to become their very best. We are on a journey to ensuring that all our practices are trauma informed and we are developing our environment to ensure that it meets the sensory needs of the children in our care. The staff body at Vermont School is a collaborative and supportive family and we prize the professional development of our team so that they too can be their very best.

### Who we are looking for?

We are looking for a fantastic teacher who is dedicated to providing the best possible education for our children. Our staff are reflective practitioners who continually work to improve their practice. Vermont School is a unique setting so we strongly recommend that you visit us prior to applying. Please either email Mrs Jane Valentine, email below or contact us on 02380 767988 to arrange this.

### Safeguarding

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

### Application procedure

Should you wish to apply for this vacancy, please view the linked documents on our website: [www.vermontschool.co.uk](http://www.vermontschool.co.uk). The vacancies tab can be found under Key Information.
