Teachers Main Pay scale +TLR2

Hours : 0.8 (4 days)

Windmill is a place where we are creative, personal, friendly and open. We try to instil trust, inclusivity, respect and honesty amongst the whole school and wider community. We celebrate diversity. We say “yes” to trying new things and know the sky's the limit for the children that come here. Staff are trusted and encouraged to take risks. Most of all, the staff are a team who support each other, welcome others and provide positive role models for all.

We are looking to appoint a Specialist Music Teacher following the retirement of our current music specialist. Under her leadership the school has developed an excellent reputation for music and we are looking to appoint someone who will not just maintain the high standards that we have but continue to grow and develop the culture of music in the school.
