6 CRITICAL QUESTIONS

At Emmaus CAT we focus on the following six critical questions.

1) Why do we exist?

Our Mission

The mission of Emmaus Catholic Academy Trust is to provide great Catholic education across Greater Manchester.

1. To assist in the mission of making Christ known to all people;
2. To assist parents, who are the prime educators of their children, in the education and religious formation of their children;
3. To be of service to the local Church – the Diocese – the Parish and the Christian home;
4. To be of service to society.

2) How do we behave?

Our habitual Virtues are based on Luke 24: 'Stay with us Lord, on our Journey...'

Humility – Faithfulness - Service

3) What do we do?

We enable our schools to provide great Catholic education across Greater Manchester.

Emmaus CAT is one of three Catholic Academy Trusts within the Diocese of Salford. The footprint of the Emmaus CAT serves the Roman Catholic schools within the areas of Manchester, Oldham, Stockport, Tameside and Trafford.

As one Catholic Academy Trust we work collegially as a family of schools serving local parishes and communities to ensure children and pupils get the very best Catholic education and faith formation.

By the time children leave our schools, we want every pupil to have the curriculum knowledge, skills and character education to be of service to society.

Our schools are aligned in our mission and share our philosophy of working together to develop meaningful relationships between schools, parishes, families, communities, and the Diocese of Salford by continually supporting school improvement, faith formation and serving society.

Our Vision

To work collegially as a family of great schools, strong in faith, serving society.

The key strength of all the schools is that they are all distinctive and rooted within their parish communities. We intend to maintain the distinctive nature of each of the schools whilst sharing recognised good practice across the board to build an established CAT of excellence.

Emmaus CAT will enable a school to continue its journey in a truly collaborative and collegial environment with like-minded schools where children and pupils come first, are nurtured in such a way that they are able to develop fully, contribute positively to society and acquire a true sense of responsibility and freedom. We are proud to work both with our fellow Catholic CATs across the Diocese of Salford and a wide range of other schools, local education partners, and MATs (Multi Academy Trusts) across the region. In our CAT we share our unconditional support of the vulnerable and the challenged. Our commitment to parents is to care for, support and educate their child to the highest possible standards.

By joining our CAT, we support school leaders to share collaborative strategies on school improvement, curriculum, staff development; provide initial teacher training, planning and strengthen the capacity of individual schools.

Emmaus CAT reflects the journey that Jesus made after his resurrection. The Walk to Emmaus offers today's disciples, our whole CAT community, a parallel opportunity to rediscover Christ's presence in our lives, to gain fresh understanding of God's transforming grace, and to form friendships that foster faith and support spiritual development.

We aim to journey together with Christ, to recognise the Lord in our midst and to bear witness to the good news of God in Jesus Christ.

4) How will we succeed?

Our Philosophy – Aligned Autonomy

Our philosophy is aligned autonomy. We are aligned in our mission, vision and virtues as one organisation. We promote autonomy by recognising the unique context and ethos of each individual school serving their local parish community.

It is fundamentally important to us that we share the same mission, vision, virtues, and values. All Emmaus pupils and staff should benefit from our best collective practices. And we will all benefit from the collective resources, brand, and reputation of the Emmaus Catholic Academy Trust.

So why then do we retain the term autonomy? It is because we believe leadership and personal accountability are founded on ownership and self-direction. A culture of conformity can kill innovation and drive away the best staff. And standardisation fails to respond to changing needs and fails to adapt to a changing environment. The distinctive context of each school in the Emmaus CAT is unique and must be fully embraced and understood. Every school has strength and capacity. Every school has a part to play in developing the future strategy for the Emmaus CAT.

At Emmaus CAT we think it is the concept of aligned autonomy that is to be the foundation of our success: we are aligned on our mission, vision, virtues, and values – these are our non-negotiables. Nonetheless, because we are determined to create a healthy Christ centred and child (pupil) centred organisation, the people who serve and work for and with us must also have agency and self-determination.

At Emmaus CAT, we passionately believe in schools having their own individuality underpinned by common principles, schools' benefit from maintaining their own identity with access to shared best practise across a range of schools. This enables schools to focus on the key priorities of teaching and learning, whilst the CAT leads on financial, operational and resource management and provides high quality core and universal support for school improvement. With the educational landscape changing at such an unprecedented rate, the CAT aims to work by means of collegiality to ensure that each school within Emmaus CAT continues to thrive, leading to improved educational outcomes and formation for all.

Curriculum Knowledge and Academic Rigour

We know our core business. Children and pupils are at the heart of our CAT. Our vision is all focused around children and pupils getting the very best Catholic education and formation. All children are entitled to a rich curriculum and to the powerful knowledge which maximises life chances. Children need powerful knowledge and character education to understand and interpret the world. Our children will leave our schools ready to be of service to society.

Emmaus Talent is Key

At Emmaus CAT we believe talent is key. We want to recruit and retain the best people; leaders, teachers, and staff. We want to ensure we know where our next talented staff are coming from. We fully support and encourage career development opportunities and experiences for our staff. Our talented people are our most significant resource. We want a healthy Catholic organisation where all our staff feel fully valued and excel professionally, personally and in faith.
