Christ the King and St Cuthbert's Catholic Academies – Job Details

Thank you for your interest in the position of Speech and Language SSA at Christ the King Catholic Academy (CTK) and St Cuthbert's Catholic Academy (SCCA). This position offers an exciting opportunity for colleagues looking to join our schools and secure a role to make a difference to the lives of our young people.

We are looking to appoint an SSA Level 3 to support the development of speech and language across both schools. This position will allow successful candidates to combine a passion for Speech and Language within SEND whilst working across two unique primary settings supporting children, staff and agencies. The successful candidates for this role would need to show a strong knowledge and understanding of the SEN code of practice in particular those relating to Speech and Language that will support the development of the 'whole child'. The role would require the successful candidate to mix support, engagement and interaction with the child in one to one, small and large group settings, both inside and outside of the classroom.

We are looking to appoint enthusiastic, skilled support staff who will support the schools' aspirations for improving the life chances of the children and families we serve. Both of our rapidly improving schools are one form entry however shared planning, organisation and discussion opportunities are frequent between our two sites for both teaching and non-teaching roles. This role offers opportunities to move between sites and work with a wider group of families and professionals. Both schools are unique and distinct in their own way but share a consistent curriculum, behaviour policy and governing body. This special partnership, along with our network with other local Catholic schools in the Blackpool area, continues to strengthen both the practice and faith development of our two schools.

Christ the King Catholic Academy and St Cuthbert's Catholic Academy are two of twelve schools that are part of the Blessed Edward Bamber Multi Academy Trust (BEBCMAT). They have a particularly close and unique relationship with each other and are led by the same leadership team.

The role is an opportunity to work within the Special Educational Needs Department of our schools to promote, develop and enhance speech and language progression across all year groups from Nursery to year 6. You will work closely with the SENDCO, Speech and Language multi agency services, teaching staff and teaching assistants to achieve and offer exceptional provision to all children. The role combines support, engagement and interaction of children in one to one, small and large group settings both inside and outside of the classroom. The successful candidate will have strong behaviour management qualities to support the child through a person centred approach, positive reinforcement and restorative practice to encourage learning. The successful candidate will show excellent attributes towards all areas of the SEN code of practice and in particular the connection between this and speech and language. Being computer literate, an excellent communicator and having a passion for high quality Special Educational Needs provision within a primary school are essential. Experience of working within such settings or with a child with such needs would be an advantage.

Experience of working within such settings would be an advantage (although a desirable criteria). It is not essential to be a person of faith to apply for any of these positions. Although we are a Catholic school and proud to be so, we welcome applications from all faith and non-faith backgrounds.

Our school offers a range of professional development opportunities for the successful candidates. If you are at the start of your career working with young people, looking for a position to supplement other incomes or an established SSA ready for a change we would welcome an application.

Welcome to Christ the King and St Cuthbert's Catholic Academies

I have been Executive Headteacher across the two school sites I serve for almost nine years and prior to that I was the substantive head at Christ the King. The leaders, staff, pupils and I have worked hard over this time to move our schools forward. Both schools are graded good by Ofsted (both inspections have taken place this academic year) and enjoy close links with St Mary's (Secondary and 6th Form). These three schools were the first schools to form the Blessed Edward Bamber Catholic Multi Academy Trust (BEBCMAT) at the start of the academy journey in 2014.

Christ the King and St Mary's Catholic Academies are uniquely co-located on the same site, in new, or newly refurbished buildings, following a large capital programme. The parish church of Christ the King is also on the same site. St Cuthbert's is located in South Shore about three miles away on a large site including conference facilities and playspace. St Cuthbert's church is a short walk away from the school on Lytham Road.

Here is a brief overview of each of the two primary schools:

Our goal at St Cuthbert's is to create, with our pupils, a loving Catholic learning community in which they are able to thrive and reach their potential, growing into confident, thoughtful and happy young people. This is the heart of our Catholic identity and is the basis of our children's spiritual and moral education. We encourage pupils to "choose life" in all that they do, to work hard, make the best of their talents and develop their appreciation of the gifts of others.

The academy's capacity for sustained improvement in all areas is outstanding because of rigorous assessment and monitoring processes leading to clear, challenging targets and appropriate priorities. (Diocesan Inspection October 2018)

"Pupils are well behaved around school and in lessons. They value the work their teachers do and feel very much part of a school family." (Ofsted Inspection July 2017) School was most recently inspected in March 2023.

Our motto at Christ the King is: "**Believe, Belong, Become.**" Staff embrace this vision for our pupils and school whole heartedly. We work hard to engage our pupils to believe in themselves, belong to our community in faith and strive to become the best that they can be. Pupils and staff at the school enjoy the benefits of a brand-new building offering high quality resources and outdoor spaces for our children to play and learn in. A unique addition to our site is our new parish church which is adjacent to our building but can be accessed from within school.

Children in early years are quick to settle and learn routines. Teachers have high expectations of what pupils, including those with special educational needs and/or disabilities (SEND), can achieve. Leaders have developed an ambitious curriculum that engages all pupils. Pupils achieve well. The school is well led and managed. Staff feel appreciated and there is a keen sense of teamwork. Teachers value the steps leaders have taken to prioritise their well-being and workload. (Ofsted Inspection December 2022)

"Christ the King is a welcoming, inclusive, friendly community with a strong ethos where everyone is valued and pupils and staff flourish.....It is a harmonious school with a tangible Catholic ethos. (Diocesan Inspection June 2019)

Welcome to Christ the King and St Cuthbert's Catholic Academies

The work we undertake here in Blackpool will always be challenging, but the co-operative and tireless approach of our two schools, growing together over the last few years, has been fundamental to our success. Both schools had another strong set of results (2024), with most in line or above national averages.

We are quite rightly very proud of the work our governors, staff and pupils have done to achieve this, but are now eager to look to the next chapter in the life of the two schools, post pandemic during a cost of living crisis. There is, as always, much to do as we continue to be ambitious for all children to experience the very best teaching and achieve well.

Family life for many of our children and their families, is a struggle. Our mission across both schools is to strive towards providing a place that is filled with fun, laughter, enjoyment and discovery. We aim to remove as many barriers to learning as possible, to ensure our pupils achieve their full potential.

Visits to St Cuthbert's and Christ the King are warmly welcomed as it is rather difficult to sum up the joy of our school without physically being in it and meeting our staff and pupils, in the working day if possible. I also encourage you to take the time to look around or ring/email me with any questions, however small.

Yours sincerely,

Sarah Smith
