The successful applicant will be a proactive and positive team player with a passion and talent for sport and games, keen to become a vital part of the school team. Our Sports Coach and Cover Supervisor will promote sport through the delivery of PE lessons, sports clubs, inter-form activities and fixtures, cover classes for the short-term absence of teachers, and support the delivery of our hugely popular DofE programme, for our students working towards the Bronze, Silver and Gold award. The core hours of the post will be 8.40 am to 3.40 pm with an expectation to deliver after school clubs and assist with school sports team fixtures, for which additional hours will be paid where the contractual hours are exceeded.

At Sutton Girls, we provide high quality teaching and learning, strong pastoral support and a wide range of extra-curricular opportunities within a caring environment that values character development and wellbeing. There are over 1,235 students in the school, including 338 students in our sixth form comprised of a mixture of students who were with us in Year 11 at Sutton Girls and others who joined at the start of Year 12.

Ranked the 45th best state secondary school nationally in the recent Sunday Times Parent Power Survey, we take pride in offering students an inspirational environment. Our students are highly motivated, have a thirst for knowledge and a desire to learn. Whilst we have a long history of excellent GCSE and A-Level results, we provide students with so much more than mastery of examination syllabuses, we have a wide ranging and developing super-curricular offer. Our vision is for all students to have a love of learning, a positive and resilient approach with a strong sense of community. Every individual will be encouraged to be aspirational, prepared for their future and inspired to make a difference.

Our culture is one which celebrates the diversity of the school's intake and through the assembly, tutor time and Personal Development programme we build an understanding, kind and respectful ethos. Our wide variety of extra-curricular activities enable students to develop their existing skills, discover new ones and broaden their horizons. There are numerous opportunities including sport, music, drama, DofE, STEM, various student led clubs and many residential trips, including CERN, World Challenge expeditions to Tanzania and ski trips to Canada. Our students are drawn from across the city of Birmingham, with many travelling long distances to be a part of Sutton Girls.

There is a wide variety of CPD that colleagues can opt into, teaching and learning sessions form most staff meetings and these are led by a variety of colleagues. We are informed by educational research, and focus on developing our questioning, retrieval practice and continuing to refine our approach to assessment. Growth mindset strategies and character development are central to our day-to-day activities whilst maintaining staff and student well-being.
