We are seeking an experienced and ambitious Sports Coach to deliver exceptional physical education and sports instruction that engages students and supports their physical development. As part of our outstanding team, you will:

- develop and implement innovative sports programs that enhance both our curriculum and extracurricular activities;
- design strategies to increase student participation and enthusiasm for sports.

If you are passionate about making a positive impact on young athletes, we encourage you to apply.

In return, New Wave Schools can offer:

- support with mental health and wellbeing;
- inclusive school communities;
- high quality professional development.
