

Recruitment Pack

Strategic Training Lead

Welcome

from the Chief Executive Officer

Dear Applicant,

I am delighted you are considering joining us at Lime Trust. This is an exciting time to join our Trust, I joined in April 2022 and since then we have been reinvigorating all areas of the Trust. The Strategic Training Lead is a key role in the future development of the Trust.

We are heavily investing in our people through our People Strategy. All teachers beyond ECT (Early Career Teacher) are completing an NPQ (National Professional Qualification) in Leading Teaching with Ambition Institute. This aims to raise the quality of teaching and learning across the Trust, create a common language and pedagogy, enabling our teams to work across schools supporting each other to raise the bar for our learners. All senior leaders are completing an NPQ in Leading Teacher Development, Leading Behaviour and a range of others through to NPQEL, enabling the golden thread to permeate all we do. A key part of this role will be to develop the above offer and to expand this to develop career pathways for all support staff. In 2024 we will become a lead provider for ITT (Initial Teacher Training) for Ambition.

Lime leaders are supported and held to account in equal measure. The Trust Board has recently been strengthened with new Education Trustees ensuring high quality governance and we invest in our governors through a programme of CPD. We have been reviewing and strengthening systems and processes in relation to School Improvement and Trust business functions. We have an expanded and enhanced the School Improvement Team providing an in-depth annual support cycle that uses forensic on-going evaluation to target areas of greatest

need. We offer half termly school improvement visits and business visits. This role will link to both of these systems. Our full strategy is attached in the pack.

I would strongly encourage you to contact me for a discussion in advance of you applying. I look forward to meeting you.

CEO, Lime Trust
