Principal and School Improvement Executive  
Mulberry Academy Hastings

A Mulberry education is thoughtfully designed to ensure every student has the best possible opportunity to leave us well qualified, skilled and confident – ready to lead socially, spiritually and economically prosperous lives.

We believe that a great education is a human right and the key to future security, happiness and wellbeing. Yet equality and diversity issues in wider society continue to create barriers for many young people.

**A Mulberry education is premised on three under-pinning principles:**

- Access to education and the chance to be educated is a human right in a civilised world.
- Education should provide rich intellectual and personal development for individuals and communities of people.
- Education is a public good.

These principles are the starting point for everything we do, including the work of our schools, our governors and trustees, school staff and senior leaders within the Trust. Each of our schools shares a common purpose: support student wellbeing and nurture ambition, creativity and self-determination.

At the Mulberry Schools Trust, our mission is to ensure that every child receives an outstanding education, whatever their starting point. Trustees, staff, students and parents/carers share a commitment to outstanding achievement for all – and we work together to make that a reality.

When you join our school, you will find a place where you belong and where your work truly makes a difference to the lives of young people.

Working in education is not always easy. We recognise the effort, creativity and commitment our staff bring every day. We value this deeply and show our appreciation by creating a culture where staff are supported to grow, develop and thrive.

### **Providing talent development opportunities**

We want ambitious and talented people to join Mulberry Academy Hastings because they want to make a real difference to the lives of children and young people.

Professional development is central to our culture. During this time teachers deepen their practice and collaborate on improving teaching and learning, while colleagues in support roles have structured time designed specifically for their own professional development.

We also build coaching into teachers' timetables, ensuring every teacher benefit from regular professional dialogue, reflection and support to continually develop their practice.

As part of the Mulberry Schools Trust, staff benefit from Trust-wide expertise, strong collaboration, and opportunities to grow professionally. The East London Teaching School Hub further enhances this offer, delivering nationally recognised programmes and enabling staff to engage in and contribute to training across all career stages.

When you join the Mulberry Schools Trust, you will have access to an excellent pension scheme — either the Teachers' Pension Scheme or the Local Government Pension Scheme, depending on your role.

### **Offering flexible working**

We recognise the importance of balancing work and home life. We consider flexible and family-friendly working opportunities wherever possible, including part-time, term-time and job-share arrangements. Balancing everyday life with the requirements of work can create pressures for all of us. Work is a significant part of our lives and we are committed to creating a healthy and supportive working environment.

All employees have free access to a 24-hour confidential counselling and wellbeing service, designed to support staff with a range of personal and professional challenges.

Recognising that the autumn term is the longest and most demanding, we restructured our calendar to better support staff wellbeing with a two-week break in October.
