## COMMUNITY COLLEGE

SUBJECT LEAD OF GEOGRAPHY  
CANDIDATE INFORMATION

## Welcome from the Co-Principals

Thank you for your interest in working at Frogmore Community College.

It is a great privilege for us to lead the next chapter in the evolution of Frogmore Community College - a welcoming, ambitious secondary school at the heart of the Yateley community.

As a proud member of WMAT Trust, our vision is to raise standards for all by creating an inclusive, ambitious learning environment where every young person is supported to achieve their full academic potential. We are committed to equity, excellence, and the personal development of every student – empowering them with the confidence, knowledge, and skills to thrive in school, in society, and in life.

Central to this has been translating our values, **Ambition for All, Building Confidence and Skills**, and **Courage and Positivity to Be Better**, into tangible improvement. Academic achievement forms the foundation that unlocks opportunities, broadens horizons, and gives young people the best possible start in life. However, our commitment extends far beyond exam results. We believe education should shape lives, build confidence, and prepare students to thrive in a complex and ever-changing world.

Our staff's dedication to fully engaging in school life, means we offer a broad range of clubs, school trips, including residential, and take every opportunity to build meaningful relationships with our young people. We strongly encourage all staff to become part of our rich extra-curricular offering.

At the heart of our vision for the future is a strong commitment to professional development. Our twice-weekly CPD sessions provide a platform for sharing and celebrating expertise from within our school and across the multi-academy trust. We are proud that all last year's senior and middle leadership appointments were internal promotions. In addition to trust-wide career progression opportunities, we offer staff access to subject-specific hubs and professional networks.

We sincerely hope you will consider applying to work at Frogmore Community College. Working in a school is a demanding role, and we are committed to ensuring that the hard work of every colleague is recognised and valued. New members of staff quickly feel a strong sense of belonging and are genuinely cared for as part of the Frogmore community.

We very much look forward to meeting you.
