Dear Candidate,

Thank you for your interest in the post of Subject Lead of Physics. This is an excellent opportunity to make a major contribution to the Academy's continued success.

Haberdashers' Aske's Knights Academy is a vibrant, diverse school community with a relentless focus on high expectations and aspirations as one of the early sponsored Academies, with the addition of the primary phase, in 2010. We serve the families of the local community in the London Borough of Lewisham and Bromley and are part of the Haberdashers' Aske's Federation Trust, a hard Federation of oversubscribed 3-18 school clusters in the South East of London, the other schools being Haberdashers' Aske's Hatcham College, Haberdashers' Aske's Crayford Academy and Haberdashers' Aske's Borough Academy which opened in September 2019.

The Federation currently comprises of four secondary, five primaries and a teaching school, which totals over 5,000 students and 600 staff. The scale of expertise and leadership across our Federation gives us enormous capacity. It is this capacity that has resulted in the success of the Federation, and it is this capacity that allows us to mount new ventures and allows our staff to take on new opportunities and rapid development trajectories.

Our school and our Federation is a uniquely exciting place to be and I hope that you decide to join us in our current phase of rapid development and growth.

About Haberdashers' Aske's Federation

Haberdashers' Aske's Federation is a Multi-Academy Trust of nine schools, (four secondary and five primary), supported by a Teaching School. These are currently organised as four 'clusters', Knights Academy is part of the Knights cluster.

Our principal sponsor is the Worshipful Company of Haberdashers, who are very generous in their support. Put simply, our mission is to ensure that each of our schools offer a great education and are great places to work.

Each of our schools serve their local communities in Southwark, Lewisham and Bexley. As a Federation, we can offer more to all staff and students than any single school could offer alone. This 'Haberdasher's Advantage' ensures that the opportunities presented by working and learning at a Haberdasher's Aske's Federation school, are truly exceptional.

Whilst each of our schools maintains its individuality and serves its' unique context, we share a common vision as a group of schools: 'To support our staff and young people to be the best they can possibly be.' In this complex world, we need our young people to develop as compelling individuals – ready and able to take their place in the world with confidence. We know that education matters to the life chances of all young people, particularly those from disadvantaged backgrounds. We believe that each and every child and young person can and will succeed.
