Subject Lead PE

Oasis Academy Silvertown

January 2024

Dear Applicant

Thank you for your enquiry regarding the position of **Subject Lead – PE**, Oasis Academy Silvertown, London.

We are committed to growing and developing our sports and fitness offer at the academy so that every student can play in a successful competitive team, develop healthy lifestyles and enjoy all that sports can offer them. We know that we have work to do but want our teams to compete successfully in Newham and beyond! This role will be pivotal in imagining, creating and leading developments in this department in our academy, ideal for an enthusiastic and dedicated teacher of PE keen to take on their first leadership role.

Oasis Academy Silvertown was planned and founded by the West Silvertown community who dreamed of having a local school which ensured both academic excellence as well as nurturing care for local children. After many years of discussions, plans and applications to the Department for Education, the academy opened in September 2014 in portacabins and finally moved into its permanent home in September 2022.

Our academy vision is to ensure that all of our students become 'Ready for University, Ready to Lead'. We have held tightly to the original dreams that the community had for our school, creating an environment where we have high academic aspirations for every student as well as ensuring we support and develop each child into growing and developing as a leader. Our small size means that every child is known by our staff and that we have a strong community feel where children want to learn and to behave well.

The academy has been through considerable change in the past year and is now in a new phase of growth focused on sustainable excellence, strong relationships and deep roots in the local community. As the academy moves towards full student capacity (600 students, September 2026) we are in our final period of expansion. We are seeking an exceptional leader who is looking for an opportunity to:

- Work with a new, passionate, dedicated and supportive team developing a small and growing academy
- Work in a values-led organisation, focused on pursuing social justice
- Serve a diverse and aspirational community
- Be supported by a strong, national MAT with shared resources, subject networks and CPD
- Work in an academy that values its staff with smart policies that consider carefully how teachers can best use their time
- Start late one day per week and benefit from additional INSET days - high investment in staff development

This is an exciting opportunity to become part of a high performing team who believe in committing to strong relationships and striving for the best outcomes for the young people of Silvertown.
