## **Subject Leader of Geography** **MPR/UPR plus TLR2b (£5,028)**

For September 2023, or earlier if available, we seek to appoint an enthusiastic, creative and dynamic colleague to lead our Geography Department. The successful applicant will be an outstanding classroom practitioner with high expectations and the ability to enthuse and motivate both staff and students. This is an exciting time to join us at Crofton; the Humanities team are delivering lessons in recently refurbished well-equipped classrooms, and we are actively expanding our repertoire of local and residential field work.

This appointment represents an excellent opportunity for an ambitious practitioner who shares our school values of kindness, ambition and diligence, and wishes to develop their career through working with a talented group of teachers who are committed to raising standards in Geography. We welcome applicants who have a strong vision for the continuing development of the Geography curriculum, and have the skills and ambition to make this happen. The successful candidate will have a track record that demonstrates their ability to achieve exceptional outcomes for students in Geography, alongside the passion and drive to lead and develop a curriculum area.

Crofton is a happy, and ambitious school, excited about our journey to becoming exceptional. We strive to appoint the most inspirational teachers, so if you are an imaginative and energetic teacher, able to contribute to our culture of sharing best practice, and want to make a difference to the life-chances of all the students in your care, then this could be the post for you. Our teachers routinely deliver great lessons which are well-planned, highly challenging, innovative and active for our learners. The successful applicant must be prepared to share their practice with colleagues and fully contribute to our in-house programme of continuing professional development.

We are a popular, over-subscribed and successful mixed comprehensive school, with a great reputation for high quality education. The school is situated in a pleasant village, a short distance from the sea, yet within easy reach of the city centres of both Portsmouth and Southampton. The school enjoys enthusiastic staff, governor and parental involvement and has an active commitment to staff development.

We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

**CVs are not accepted.** For more information and a downloadable application pack see our website <http://www.croftonschool.co.uk> - click the 'Recruitment' heading under 'Our School'.

Closing Date: Midday – Friday 02 December 2022
