The Alec Reed Academy is an Ofsted 'Good' school and an exciting place to work. In July 2018 it received praise from Ofsted who described it as *'at the heart of its community, an inclusive school with leadership providing excellent role models and maintaining the good quality of education since the last inspection in 2015'*.

We seek to appoint an experienced and exceptional teacher with the leadership qualities, management skills and drive necessary to contribute to leading the further development of Geography at the Academy. The vacancy provides an excellent opportunity to work in a high quality and well-resourced environment and to join a team of experienced, successful and highly motivated teachers. This is an important role ideally to commence after Easter, however we are willing to wait until September for the right candidate. The salary is negotiable dependant on experience and qualifications.

The appointee should be an experienced and outstanding teacher able to demonstrate an excellent record of public examination success and with a desire to further shape the delivery of Geography in the Secondary Phase. The successful post holder will be expected to teach across the age and ability range to secure the continued success of Geography and establish short, medium and longer-term plans for development of teaching and learning across the department and the wider Academy.

As an Academy we enjoy a low staff turnover and a higher than normal team of support staff including dedicated Student & Family Education Workers assigned to each Year Group, CLASS Workers assigned to curriculum areas and a high investment in CPD. The Academy offers excellent career and professional development. The Academy is outer London but with Inner London pay and offers free on-site parking, free use of the gym, subsidised meals and family friendly policies including dependents entitlement. The successful candidate can also benefit from a personalised development plan.

Since we're just off the A40 at the Target Roundabout, travel connections are first-rate, with the A40/M25/M4/North Circular within easy reach and the Central Line Station just a short Bus ride away.
