Dear candidate,

Thank you for expressing an interest in this position. The last twelve months have been a challenging year, not just in education, but in all sectors of the economy. If this year has taught us anything, it is that face-to-face contact with other people is vital for our wellbeing and development. At the heart of this school's ethos is community and we have been delighted to welcome our pupils back to school, learning in their classrooms and benefiting from the social and emotional aspects that school brings. Hopefully now the disruptions of the last twelve months are behind us and we can begin to look ahead to what the future holds.

As a school we have continued to expand and develop, building on the significant strengths identified in our February 2019 Ofsted report. Attracting the very best staff is the most effective way to grow and it is important for us as we enter the next chapter in the history of the school.

Our GCSE and A Level results are strong and we are firmly established in our purpose built school ensuring that future generations of young people have access to modern educational facilities right in the heart of their community.

If you have the passion to contribute to our unique school, then we look forward to receiving your application.

Richard Booth
Headteacher

The School

The Reach Free School is an 11 to 18 school in Rickmansworth, which serves pupils of all backgrounds and abilities. Opened in September 2013, the school was founded by a group of teachers and local parents in response to a significant demand for more secondary school places in the area.

All involved with the school have high aspirations for our pupils and high expectations of them. As such we expect all pupils to:

- Commit their best efforts to all that they do
- Support each other to achieve their potential
- Work with their teachers to exceed their goals
- Demonstrate exemplary behaviour in all that they do
- Take pride in their school and its community within its walls and beyond
- Enjoy learning

The Reach Free School plays an active role in the community, working with local businesses, supporting local events and providing a hub for local services. Pupils are very much involved in the school's wider responsibilities, developing skills in leadership and decision making, communication and collaboration and independent, self led learning.

A sense of purpose and responsibility pervades lessons and activities at The Reach Free School and it is important that our pupils recognise their own responsibilities as members of the community. It is this that underpins The Reach Free School's ethos; Achievement, Community, Enjoyment – ACE.

The Ethos of the School

The Reach Free School's ethos and curriculum is designed, first and foremost to meet the needs of the young people in the local area. The core of our ethos is to personalise the education of every pupil in order for them to maximise their potential and realise their dreams and aspirations.

We believe in the following principles:

Achievement – Realised through recognising the individual needs of every learner

Community – Embracing, utilising and supporting the local community for the benefit of all learners and building partnerships to support teaching and learning

Enjoyment – A commitment to innovative practice and the application of technology to develop enthusiasm for learning

Features of The Reach Free School

A Smaller School – With 120 pupils in each year, The Reach Free School will remain a close-knit environment, even when full. This will ensure a strong sense of community within the school.

Modern facilities - In September 2018 the school moved to its £19 million new home with first-class facilities throughout.

'Outstanding' Judgements - In February 2019 the school was inspected by Ofsted and received outstanding judgements for the 'Effectiveness of leadership and management' and 'Personal development, behaviour and welfare'. There were many strengths of the school identified in the inspection, not least the "excellent relationships between staff and pupils..." and "behaviour around the school is exemplary".

Transition – Each of the four classes in Year 7 benefit from their own Home Room and a dedicated Assistant Teacher for the first year. This Assistant Teacher is the form tutor for this class, and supports learning in a range of subjects for their pupils. Together these ease the transition from primary to secondary school for the children and helps us to understand each child as an individual.

Focus on English and Mathematics – The school specialises in English and Mathematics, the building blocks for success in other subjects. Literacy and mathematics pervade teaching and learning at the school and all teachers play a role in developing pupils' skills in these areas.

Community Common Room – Once a week, all pupils work in groups towards a shared goal for the local community. Working together on a community project develops our pupils as creative, confident and proactive individuals.

Targeted Academic Support Programme - In Key Stage 4 we dedicate time to supporting our pupils, in smaller groups, as they work towards their GCSEs and vocational qualifications.

Technology Rich – All pupils have their own school device and teachers are encouraged to utilise the latest technology to teach in innovative and creative ways.

School Dog – We are fortunate to have Scout, our school dog, with us every day. She supports pupils with their reading and is a friendly face for all pupils, staff, and visitors.

Job description

Job Title:	Subject Leader - Music
Reports to:	Head of Creative Arts
Hours:	Part Time (0.5FTE)
Salary:	Academy Trust Scale, dependent on skills and experience

Music at The Reach Free School

Music forms part of the Creative Arts department, which also includes drama and art and design. The initial focus of this role would be to deliver Music to pupils at Key Stage 3 with the aim of generating interest in the subject and looking to promote it across the school, establishing a suitable curriculum at Key Stages 4 and 5.

The school values the opportunity that an interest in music can have on a young person and, along with other elements of the creative arts curriculum, forms a core part of the enjoyment ethos. Pupils actively engaging in a suitable and accessible music curriculum will be a core aspect of this role. We have the facilities; a dedicated music classroom and two peripatetic teaching spaces and now we need an individual to take on the role of Subject Leader - Music and inspire our pupils in the subject. There is interest across the school and we currently have a well established and popular peripatetic music programme, offering private lessons in an array of instruments and vocal practice. It is now time for us to re-establish the subject on the curriculum as part of a carousel of creative arts.

In order for the success of this department to continue, it is an expectation that music, drama and art work closely together on both the curriculum and extracurricular offer. Collectively there is an expectation that the department will put on musical and dramatic performances which raise the profile of the subjects and inspire future cohorts to take up the subject.
