Providing a cradle to career education that allows our children to enjoy lives of **choice** and **opportunity**

## ***Welcome from Duncan Roberts, Headteacher***

Dear Applicant,

Thank you for your interest in the post of **Subject Leader of Music**. It's an exciting time to join us on our journey to raise standards of education in the communities we serve.

We serve over 3000 children from the ages of 2 all the way through to 18. All of our schools are located within a few minutes' drive of each other, and have worked closely together for many years. This context gives us a unique opportunity to shape a child's journey from infancy all the way through to university or a high-quality alternative. This is a huge privilege and a responsibility we take very seriously in our seven schools, who share a common commitment to improving outcomes and raising aspirations for all students.

Our mission is to ***provide a cradle to career education that allows our children to enjoy lives of choice and opportunity***. By the age of 18, we want every child to have the option of university or a high-quality alternative. This means that we aim for life changing personal and academic outcomes, with no child left behind.

To achieve this, we know that students, staff and our schools themselves must strive for continual improvement, and to be 'better, every day'. Our people are our greatest resource and we will only be able to deliver on our promise of 'success and respect for all' by attracting and developing the very best.

Our work is underpinned by our core values of ***Equality, Resilience, Integrity and Respect***. In our schools, teachers spend time ensuring that each child is known and cared for. We aim to create environments where our children are happy, inspired and eager to attend each day. We firmly believe in the value of scholarship, and aim for every child, no matter what their background, to be given the ambition, and the practical tools, to succeed academically, giving them the basis from which any career or academic goal is achievable.

I hope this pack gives you a flavour of the Brigshaw Learning Partnership. I very much look forward to meeting you and working with you to ensure that we provide a transformational education for the young people in our care.

Please do get in touch to arrange a visit or to have an informal conversation about the role.

## *The Brigshaw Learning Partnership - Background*

**We serve communities in Outer East Leeds and have for over a decade collaborated to ensure all children can enjoy lives of choice and opportunity.**

In 2010, the schools formed a Co-operative Trust, committing themselves to working with and for each other, underpinned by co-operative values. In 2016 our schools cemented this collaboration through the formation of the BLP, a Multi-Academy Trust of 7 schools educating over 3000 children in East Leeds.

---

***Our mission is to provide a cradle to career education that allows our children to enjoy lives of choice and opportunity. By the age of 18, we want every child to have the option of university or a high-quality alternative.***

---

We are immensely proud of our reputation for being a highly inclusive Trust. We believe that with the right combination of love, structure and high expectations, all children can achieve, regardless of their socio-economic status, background or any barriers they may face.

---

***We aim to establish great schools that develop knowledge, character and cultural capital to prepare children to play an anchor role in our community.***

---

### *Our Values*

- **Equality:** we are one team with one goal, unapologetically ambitious for all in the belief that every child can achieve, regardless of their background or socio-economic status. We work with each other and for each other.
- **Resilience:** We give 100% effort. We don't make excuses or give up when it's hard, embracing challenges as opportunities for growth. We know success is achieved incrementally.
- **Integrity:** we are open about our successes and areas for growth and take responsibility to become better, every day.
- **Respect:** our actions and words always honour students and families.

### *Our strategic anchors*

All strategic decisions are linked to one of our four strategic anchors:

## ***Our schools***

We are one team with one goal, committed to our vision to provide a transformative education from 2-18. We serve 3000 children and young people. Approximately 1600 children aged 3-11 attend our six primary schools, spread across the villages that make up our locality. The majority of our primary students attend our secondary phase, Brigshaw High school. This presents a unique opportunity for us to cohere a powerful cradle to career journey for our children and communities. Our schools are:

**Allerton Bywater** – 433 pupils serving the village of Allerton Bywater

**Brigshaw High School** – 1400 pupils

**Kippax Ash Tree** – 341 pupils serving the central part of the village of Kippax

**Kippax Greenfield** – 164 pupils serving the western side of Kippax

**Kippax North** – 244 pupils serving the northern side of Kippax

**Methley** – 427 pupils serving the village of Methley

**Swillington** – 178 pupils serving Swillington village

Two local church schools are associate members of the BLP, ensuring all children within our community have access to the same offer, whichever school they attend.

All trusts will say they face an 'exciting' future, but in the case of the BLP it has never been clearer.

## ***Brigshaw High School – Current Context***

This is a 'snapshot' view of ***Brigshaw High School***. We hope it will give you a flavour of our vision, values and some of our current priorities.

Brigshaw is a thriving, popular school, occupying a large, attractive campus between Kippax and Allerton Bywater. Pupils come to us from these two “villages”, as well as from Great and Little Preston, Swillington, Micklefield, Methley, Woodlesford, Garforth and the outer Leeds suburbs. About 18% attract Pupil Premium funding. There are currently 1475 pupils on roll, including 170 in the Sixth Form. On September 1<sup>st</sup> 2016 we converted to Academy status alongside five of our partner primary schools as part of The Brigshaw Learning Partnership. Having worked together for several years as a very successful Trust, this conversion has been a natural progression. Our new status is helping attract additional school improvement resources and we are actively seeking further challenge and scrutiny for ourselves to help us raise achievement.

Pupil achievement and attainment remain at the heart of what we do. We are committed to maintaining a balanced curriculum offer and insist on consistently good teaching. Post-16 outcomes are still good and retention is high. The number of 16-18 leavers in education, employment and training is regularly one of the highest in the city. This reflects the excellent work done by our transition staff as well as the solid grounding our curriculum provides in preparation for life beyond Year 11. Most of our Year 13 leavers go on to their first-choice universities, including Cambridge and Oxford.

We are a “resourced school” for pupils with physical disabilities and complex medical needs and our excellent inclusive practices have meant that pupils with a very wide range of special and additional needs come to Brigshaw from further afield through parental preference. They believe their child will succeed and thrive here. We believe that our effectiveness as a school should be judged on the basis of how we support our most vulnerable children as much as our most able.

Our mission is to provide a ‘Cradle to Career’ education that allows our children to enjoy lives of choice and opportunity. Our shared ambition is underpinned by a commitment to our values of equality, respect, integrity and resilience. We play an anchor role in our community by establishing great schools that develop knowledge, character and cultural capital to prepare children for lives of choice and opportunity. We will succeed by ‘Building Belonging’ in and beyond our schools, growing capacity and reducing stress for families so that all children can succeed. By ‘Growing our People’ through high impact professional development, coaching and organisational culture that makes our trust a great place to work and learn.

**Our most recent Ofsted Report (June 2019) judged us as a good school. Ofsted noted:**

---

***“There’s something really special here”***

---

Highly effective leadership... all highly ambitious for staff and pupils

Resolutely committed and determined to embed a ‘**culture of excellence**’ across the school.

Pupils are “proud... of their school and ... appreciate the recent changes”.

Pupils’ attitudes to learning are strong... they actively participate in and support their peers with their learning.

Governors and trustees know the school well... they are realistic and reflective...they are extremely effective in their roles.

Parents and carers are supportive.

Sixth-form leadership is a strength of the school and, consequently, the sixth form is good.

However, we are not complacent. We believe that pupils can make faster progress. There is still more we can do to further raise attainment. Current priorities in our School Improvement Plan are centred on raising achievement at all levels through consistent routines and codifying learning so all students in all classrooms receive an exceptional education. Under-pinning these objectives is an overarching commitment to personalising learning and encouraging student leadership and parent/carer engagement at all levels of our work.

Much of Brigshaw’s success comes from the strong partnerships we belong to. As mentioned above, Brigshaw is part of the Brigshaw Learning Partnership. This multi-academy trust aims to support the whole community in achieving excellence for all of our young people. The work of the trust is enriching our work in many ways, from developing shared approaches to teaching and learning, to supporting vulnerable children, to developing creativity and leadership in our schools.

Brigshaw has undergone a number of quite profound changes during the past few years - building a ‘learning culture’, changes in the curriculum and timetable structure, and most recently in our conversion to an academy as part of a multi academy trust. The debate surrounding these developments has always been conducted in a constructive, congenial atmosphere, typifying the good personal relationships in the school. Brigshaw is a friendly, welcoming place in which to work and to learn. Staff work very hard, and cooperatively, to provide a stimulating and successful learning environment.

We agree with Ofsted that ours is a good school and still has much scope for improvement. We also believe that it is a unique and exceptional place to work, to learn, and to grow, and that to be associated with Brigshaw as a pupil, a parent, carer, a colleague, a governor, or as a member of our community is a very great privilege indeed.

The Brigshaw Learning Partnership and Brigshaw High School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The post is subject to a successful DBS clearance and pre-employment checks will be undertaken before an appointment is confirmed.

Our diverse and exciting curriculum explores the fundamental elements of music, allowing students to perform, compose and appraise music from a range of musical stimuli, chosen from across the musical canon and beyond.

## **Staffing**

The Music department currently consists of three subject specialist teachers delivering a full complement of lessons through Key Stage 3, 4 and 5. With increasing numbers of students choosing Music for GCSE and Level 3. We employ 6 peripatetic teachers so that we can offer a full range of instrument tuition to our students; currently we have over 60 students learning an instrument with us and this number is growing!

## **Facilities**

At Brigshaw, we are incredibly proud of the excellent facilities and rehearsal spaces for music teaching. ## **Curriculum**

### **KS3 Curriculum**

Each student receives two hours of music per fortnight and the aim is to build up their musicianship skills through performance, composition and appraisal of music.

Year 7 students begin by learning musical notation. They focus on the treble clef staff and simple time rhythms and perform short pieces on the keyboard. Then they move onto learning the musical elements through the study of the set work Carnival of Animals and explore thematic writing. Putting their learning into practice, the final unit consists of the students learning about traditional folk music.

In Year 8 students deepen their understanding of musical notation and develop their keyboard skills by introducing bass clef in the left hand. The set work is Holst's The Planets Suite and students learn about motif and compositional development. The final project explores Blues music and allows the students to develop their improvising skills.

By the end of Year 9 students are able to play two handed pieces at the keyboard reading both treble and bass clef. The set works consist of selection of film music pieces with the students exploring how the musical elements are used by film composers to create music that is written specifically for screen. The final project is an exploration of music from around the world exploring unique musical elements from across a variety of different cultures.

### **KS4 Curriculum**

At GCSE, the AQA Music course is taught and uptake is very good we currently have 31 students studying Music. Every student takes part in a 'Performance Evening' to showcase their performance skills and the music composed by the students are often played to KS3 classes and at public events.

### **KS5 Curriculum**

At Post 16 we offer the RSL Level 3 Subsidiary Diploma for Music Practitioners (performance). The students study a wide variety of units including Improving Instrumental Study, Auditioning for Music and Music Event Management. Uptake has remained consistent over the past 5 years and several students choose to progress their learning to higher education.
