Subject Leader – PE (Male)

Department Information

Physical Education is a thriving and successful curriculum area within the school. The Physical Education Department consists of three full-time and two part-time specialist teachers, in addition to a member of the Senior Leadership Team who teaches within the department, all working under the direction of the Subject Leader. We aim to be reflective practitioners, delivering lessons that are varied and engaging, with high standards of teaching and learning.

The department makes use of excellent indoor and outdoor facilities including a sports hall and a dedicated table tennis activity space. We also benefit from a fully functional, state-of-the-art fitness gym with a mezzanine level, with plans for this area to be further developed to support wellbeing-based physical activity and exercise.

The school site includes a full-size Multi-Use Games Area (MUGA) astro turf pitch which is used for a range of activities including hockey, football and netball, as well as hard-court areas for netball and tennis. Our tennis courts are currently in the process of redevelopment and will include a covered area to further enhance provision. A short distance from the school are extensive playing fields with three football pitches, one rugby pitch and a training area. In the summer term, a 400m track and throwing areas are marked for athletics.

The department is well resourced with suitable equipment for a range of activities and excellent ICT resources are available across the school, including interactive whiteboards in every classroom.

In Key Stage 3, pupils follow a customised curriculum organised over a two-week timetable covering the national requirements for Physical Education. In Years 7 and 8, pupils receive a one-hour lesson every week taught in mixed gender and ability groups covering dance, gymnastics, orienteering, fitness, athletics, tennis and striking/fielding

games. In games, pupils receive three hours over two weeks covering hockey, netball, rugby, football, badminton, athletics and rounders.

In Key Stage 4, all students receive three hours of Physical Education over two weeks and also have the option to take GCSE Physical Education following the AQA GCSE full course specification.

In the Sixth Form, the department offers A-Level Physical Education following the OCR specification. Results at both GCSE and A Level are excellent.

The department also runs an extensive programme of extra-curricular activities, fixtures and trips during the school year. School teams and individual performers achieve regular success at District, County and National level, as well as regular internal House competitions in major sports. These include a House athletics sports day and swimming gala.

The Duke of Edinburgh's Award is very popular, with Year 10 students completing the Bronze Award and Sixth Form students undertaking the Silver and Gold Awards.

We would like to appoint an outstanding Subject Leader of PE. The department is always looking at ways of developing its curriculum and widening the experience for students so expert subject knowledge and a passion to lead extra-curricular activities in PE are highly desirable.

You will need to:

- believe in our school values of Respect, Responsibility and Excellence and follow our school ethos embedded in our motto of 'Nil Sine Labore' - Nothing Without Work
- be a reflective practitioner wanting to develop and hone your craft to the highest level
- be an inspirational teacher who builds excellent relationships and motivates students
