

Job Description

Job Title	Subject Leader Science Key Stage 5
Academy	Thomas Deacon Academy
Reports to	Head of Department
Line Management of	Teachers
Working Hours & Pattern	100% - Full Time
Salary / Grade	MPS/UPS + TLR 2b
Date Last Evaluated	April 2022
Core Purpose	<p>To be responsible for and effectively lead and develop all aspects of the educational provisions within the subject and key stage and to raise standards and improve outcomes for all learners. To promote and develop a positive learning environment in the department. To support TDA's core purpose:</p> <p><i>"To ensure that each student acquires the necessary knowledge, skills and character to make a positive contribution to society and 'thrive' as a global citizen".</i></p>

Key Responsibilities
<p>Planning, progress and policies</p> <ul style="list-style-type: none"> • Develop and review syllabuses, resources, schemes of work, assessment and teaching and learning strategies in one A level subject. • Provide day to day leadership of the subject within the key stage under the guidance of the Head of Department. • Work with the Head of Department to manage the available resources of staff, finance, space and equipment efficiently within the Academy agreed limits, guidelines and procedures. • Work with Head of Department in, monitoring and measuring the impact of all Key Stage 5 Science subject curricula and further develop the enactment of the curricula through working with and developing teacher practice. • Working with Head of Year in devising, monitoring and measuring the impact of intervention programmes on the progress made by individuals and groups of learners within Science at Key stage 5. • Implement all Academy policies and procedures across the subject. • Work with classroom teachers to formulate aims, objectives and strategic plans for the Key Stage to support the objectives and outcomes of the annual Science Action plan and Annual Academy Action Plan. • Develop the wider enrichment and character curriculum to inspire a love of Science within students. • Oversee effective Science transition from Key Stage 4 to 5. • Work with the curriculum leads of Science A levels to ensure the effective delivery and monitoring of the practical endorsement.

Curriculum and Teaching

- Ensure that the subject curriculum is appropriately planned and sequenced to deliver on the Science department curriculum intent.
- Undertake an appropriate programme of teaching and tutoring.
- With the Head of department, be responsible for monitoring and developing the quality of teaching for all subject staff, with a clear focus on quality assurance and professional development.
- Be accountable for the development and delivery of the subject's curriculum content for all learners through good planning and developing innovative learning approaches and resources.
- Manage the content, pace and progression of all course elements within the subject.
- Ensure the curriculum is planned, sequenced and implemented to enable learners to acquire the necessary knowledge and skills to thrive in subject.
- Ensure compliance with the Academy's examination entry procedures.
- Keep up to date with and respond to national curriculum developments and best practice in teaching and learning methodology with regard to the subject.

Staffing

- Be responsible for the day-to-day management of a group of staff within the subject and act as a positive role model.
- Contribute to the Academy's Professional Learning Programme and ensure that classroom teachers are supported in their continuing professional development.
- Undertake Continuous Development Reviews and act as reviewer for a group of staff within the subject.
- Hold Classroom teachers to account for learner progress within their subject.
- Ensure that meaningful work is set for cover for classes when staff in the subject are absent, ensuring continuity and progression in learning.
- Promote teamwork and to motivate staff to ensure effective working relations and to share team strengths and best practice.
- Manage and deploy teaching/support staff, financial and physical resources within the subject effectively to support the delivery of the outcomes of subject improvement plans and the Academy Improvement Plan.
- Ensure teachers in the team further the principles of Effective teaching.

Quality Assurance and Performance Data

- Work with the Head of Department in implementing the Academy's Quality Assurance Framework within the subject.
- Ensure that the subject's Quality Assurance evidence is used to inform the requirements of the Academy's Self Evaluation and improvement planning processes.
- Ensure the maintenance of accurate and up-to-date information concerning the subject and the timely completion of whole-Academy data collection.
- Analyse and evaluate, with classroom teachers, check point and external performance data and take appropriate intervention action in response.
- Manage the assessment processes for the subject.

Communications

- Ensure that all members of the Subject are familiar with the aims and objectives of the subject improvement plan within the framework of the Annual Science Action plan and Academy Action plan.
- Ensure effective communication/consultation with parents.
- Liaise with partner schools, higher education, and industry, examination boards, awarding bodies and other relevant external bodies and partners.
- Represent the Subject's views and interests.
- Contribute to the Academy communication and marketing activities, e.g. the collection of material for press releases and the Academy website.
- Lead the development of effective subject links, communication and networking with partner schools and the wider education community.

General Responsibilities

- Comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.
- Create and maintain positive and supportive relationships with staff, parents, business, community and other stakeholders.
- Be aware of the School's duty of care in relation to staff, students and visitors and to comply with all health and safety policies at all times.
- To engage with appropriate training opportunities to promote professional effectiveness in this role.
- Participate in the ongoing development, implementation and monitoring of the Trust and Academy Improvement Plans.
- To treat all information acquired through employment, both formally and informally, in strict confidence.
- To be aware of the school's responsibilities under the General Data Protection regulations (GDPR) for the security, accuracy and relevance of personal data held on such systems and ensure that all processes comply with this.
- Be aware of and comply with policies and procedures relating to child protection, reporting all concerns to the Designated Safeguarding Lead.
- Be aware of and comply with the codes of conduct, regulations and policies of the Trust and Academy and its commitment to equal opportunities.

The duties and responsibilities listed above describe the post as it is at present. It cannot be read as an exhaustive list of duties and may be altered at any time with Academy approval.

Note: Every job description in the organisation will be subject to a review either:

- **On an annual basis at the time of the annual appraisal meeting, or**
- **As a result of a change in strategic direction, or**
- **As a result of a team/operational requirements, or**

It is the shared responsibility of the post holder and their manager to ensure that the job description is kept up to date.
