SUBJECT LEADER - SOCIAL SCIENCE

Salary: Main/Upper Scale (Inner London) + TLR2b

The Alec Reed Academy is an Ofsted 'Good' school and an exciting place to work. In July 2018 it received praise from Ofsted who described it as '*at the heart of its community, an inclusive school with leadership providing excellent role models and maintaining the good quality of education since the last inspection in 2015*'.

We seek to appoint an experienced and exceptional teacher with the leadership qualities, management skills and drive necessary to contribute to leading the further development of Social Science at the Academy. This new role is central to our aim of becoming a securely outstanding school. The successful candidate will be provided with a fantastic opportunity to prepare themselves for a more substantial leadership role through their introduction of A Level Sociology, development of A Level Psychology and their enrichment of the broader PSHE/RSE curriculum at KS3, 4 and 5. This is an important role to commence in September.

As an Academy we enjoy a low staff turnover and a higher than normal team of support staff including dedicated Student & Family Education Workers assigned to each Year Group, CLASS Workers assigned to curriculum areas and a high investment in CPD. The Academy offers excellent career and professional development. The Academy is outer London but with Inner London pay and offers free on-site parking, free use of the gym, subsidised meals and family friendly policies including dependents entitlement. The successful candidate can also benefit from a personalised development plan.
