Vale of Evesham school is a member of Central Learning Partnership Trust who work collaboratively and share expertise to improve opportunities and life chances for all our young people. We are a Specialist School for Cognition and Learning and work with parents/carers, schools and other agencies in our community to share practice.

We strive to provide an inclusive, holistic provision that ensures the security and care for every child, thereby enabling them to reach their full potential in an encouraging and supportive environment. As such we are the 'Local Offer' for South Worcestershire.

The pupils play a key part in their learning. When asked about what they liked best about school, the answers ranged from 'prizes at the end of the day' to 'I have friends and people look out for you here'. They also thought that 'computers and Numicon' helped them learn best.

Our staff are highly skilled and creative in ensuring all pupils have a broad, balanced and relevant curriculum. Pupils have stated 'I like to work and the lessons are interesting and fun' and 'the teachers always help you.'

We are looking to appoint a highly motivated and enthusiastic teacher with a real passion for, and commitment to, teaching children with complex learning needs.
