A message from our Executive Headteacher

I am delighted to have been appointed to the position of Executive Headteacher from September 2024. We are journeying through an exciting and changing time for our Federation of three schools as we journey into the St Francis CMAT. St Helen's is a small Primary School with a warm, family feel. We have 5 classes with split year groups. The school works closely with the other schools across the CMAT and we embrace opportunities to work with other schools in the LA and Diocese. As a teacher at St Helen's, you will be joining a wonderful, supportive team who are always working hard to support the community they serve. You will be working closely with the Head of School and myself to create an immersive, engaging and fast-paced learning environment for our children. We are looking for a teacher who will nurture and develop the children in their care to ensure they have the best possible education during their time at St Helen's School. We would relish the opportunity to show you around our wonderful school, tell you more about St Helen's and answer any questions you may have.
