“The 3 values of Motivated, Safe and Respectful are at the heart of this community school” Ofsted March 2023.

We sit in the east of the city and serve a diverse and vibrant community. The school is close to the Historic Temple Newsam house and has the benefits of large parklands as well as being close to the city centre and all it can offer. We pride ourselves on being a warm and welcoming school where children take on responsibilities and behave well. Despite being a two-form entry school, we have a community feel where the staff, children and their families are nurtured and supported.

Our curriculum is built around the values of community, communication and a sense of adventure. This is complemented by our Temple 30 programme, a series of activities which enrich pupils' learning experiences. The children enjoy their learning; making links to the wider world and preparing themselves to be responsible citizens of the future.

We are looking for someone who;

- has the skills to communicate effectively and establish caring and constructive relationships with all children, parents, families, carers, external agencies and other professionals
- has the ability to inspire a love for learning, acting as a role model and demonstrating enthusiasm in the delivery and development of the computing curriculum within school
- is aware of, and can support, differences and ensure all pupils have equal access to opportunities to learn and develop
- has a passionate belief in the ability of every student to achieve.

As a member of our Trust, you will benefit from:

- being part of a truly collaborative trust, working with professional generosity and towards our shared mission of; **Nurturing ambition, delivering excellence and enriching children's lives**
- our Trust commitment to continued investment in our people, supporting every member of staff throughout their career to be the best they can be
- a clear set of values, a celebration of equality and diversity and a working environment built on respect, kindness and promotion of positive wellbeing

We are pleased to offer a generous benefits package including; Teacher pension scheme, £5k cycle to work scheme, discounted gym, family health, private medical insurance and dental care plans, discounts and online offers at major high street/online retailers and our employee assistance programme accessible by you and your family.
