Teacher

Westbury Leigh Primary School

Welcome from the Headteacher

Dear Candidate,

Thank you so much for your interest in joining us as a **Teacher** at Westbury Leigh Primary School. We are incredibly proud to be part of the Palladian Academy Trust, and we are looking for an enthusiastic, caring teacher to join us on the next step of our journey.

At Westbury Leigh, we are embarking on an exciting new chapter guided by our distinct Christian ethos. In our classrooms, this means creating a space where children feel safe, truly belong, and are empowered to grow. As one of our teachers, you will be at the very heart of making this vision come alive every single day, helping our children to set an example, aim high, and discover their full potential.

From the moment you step onto our school grounds, you will feel what makes Westbury Leigh so special. We place children at the centre of every decision we make. We are lucky to have fantastic spaces to teach in, including our own school farm! We also share deeply embedded, supportive partnerships with our families and the wider community.

When you join us, you are also joining the Palladian Academy Trust network across Bath and Wiltshire. This means you will have a brilliant, collaborative network of peers to share expertise with, helping you thrive and grow in your own career. You will work alongside an exceptional, welcoming staff team who are completely dedicated to ensuring every child flourishes emotionally, socially, and academically.

We are looking for an outstanding, resilient primary teacher who brings joy, creativity, and a passion for learning into the classroom. If you are a collaborative educator with a deep commitment to inclusion and a desire to help every child become the very best version of themselves, we would absolutely love to hear from you.

Thank you for your interest in joining Westbury Leigh. I look forward to receiving your application.

Yours sincerely,

Darren McKay
